In the early twentieth century, a young Chinese boy joins his father in San Francisco and helps him realize his dream of making a flying machine.

Swept up in one of the local rebellions against the Manchus in China, nineteen-year-old Squeaky loses his home and travels to America to seek his fortune among the gold fields of California.

Fifteen-year-old Joan Lee and her family find the adjustment hard when they move from Ohio to West Virginia in the 1920's.

In the early twentieth century a young Chinese boy joins his father in San Francisco and helps him realize his dream of making a flying machine.

When he accidentally kills a Manchu, a 15-year-old Chinese boy is sent to America to join his father, an uncle, and other Chinese people working to build a tunnel for the transcontinental railroad through the Sierra Nevada mountains in 1867.

Twelve-year-old Casey is waiting for the day that Barney, her father, hits it big -- 'cause when that horse comes in, he tells her, it's the penthouse suite. But then hr ends up in the hospital, and Casey is sent to Chinatown to live with her grandmother, Paw-Paw. Now the waiting seems longer than ever. Casey feels lost in Chinatown. She's not prepared for the Chinese school, the noisy crowds, missing her father. But Paw-Paw tells her about the mother Casey never knew, and about her family's owl charm and her true Chinese name. And Casey at last begins to understand that this -- Paw-Paw's Chinatown home, her parents' home -- is her home, too.

Newbery Medalist Avi delivers a stark, unflinching account of the boys of a tiny Polish village during the Great War who are determined to prove themselves with a simple dare that spins disastrously out of control.

Out of This Furnace is Thomas Bell's most compelling achievement. Its story of three generations of an immigrant Slovak family -- the Dobrejcaks -- still stands as a fresh and extraordinary accomplishment. The novel begins in the mid-1880s with the naive blundering career of Djuro Kracha. It tracks his arrival from the old country as he walked from New York to White Haven, his later migration to the steel mills of Braddock, Pennsylvania, and his eventual downfall through foolish financial speculations and an extramarital affair. The second generation is represented by Kracha's daughter, Mary, who married Mike Dobrejcak, a steel worker. Their decent lives, made desperate by the inhuman working conditions of the mills, were held together by the warm bonds of their family life, and Mike's political idealism set an example for the children. Dobie Dobrejcak, the third generation, came of age in the 1920s determined not to be sacrificed to the mills. His involvement in the successful unionization of the steel industry climaxed a half-century struggle to establish economic justice for the workers. Out of This Furnace is a document of ethnic heritage and of a violent and cruel period in our history, but it is also a superb story. The writing is strong and forthright, and the novel builds constantly to its triumphantly human conclusion.
