The Drama: A Quarterly Review of Dramatic Literature ...

The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction. Even though a play may be appreciated solely for its qualities as writing, greater rewards probably accrue to those who remain alert to the ...

Excerpt from The Drama: A Quarterly Review of Dramatic Literature; August, 1915 Each epoch has its particular way of thinking and its. Particular plays. Our epoch is that of the social play. The material progress of civilization, reducing the distance and obstacles which hitherto separated nations, has resulted in bringing us closer to each other, arousing our common interests, stimulating those mental and spiritual qualities which unite the Old World with the New. Art is in my opinion only that sympathetic note which we seek in those who not many years ago were total strangers to us. You have made a most wise and careful choice among the works of Emile Augier. Excerpt from The Drama: A Quarterly Review of Dramatic Literature; February, 1915 In the Palace at Goslar. A garden, not over-rich in appointments, rather simple; fir trees and fir underbrush. At the back, a series of steps leads to the entrance of the imperial palace, the walls of which occupy the whole background. Excerpt from *The Drama: A Quarterly Review of Dramatic Literature*; February, 1913 Bolz is the typical, romantic university man of Freytag's generation. He combines dash with sentiment, high spirit with a sober steadfastness, kindness with an irresistible gift of mischief, apparent wildness and frivolity with an affectionate and gentle seriousness. He must have his fun, but he always acts properly in the end. He belongs to one of the most popular types of the comedies of all nations, the young man who under the motley wears a heart of oak, and vainly (for we are penetrating, indeed, we, the audience!) endeavors to silence the accents of noble purposes in the boisterous waggings of his tongue. But he is attractive. He is bright and quick. And if the glitter of his speech is not always gold, and if the gold in it is often well-worn, yet there are enough brightness, energy, and wit left to make him attractive. Bellmans, the innocent, the author of one book of verse (Freytag had also in his youth written a book of verse which never recovered from the shock of Bellmans - the name is well chosen - the male ingenu, blushing like a school girl; and Schmock, the poor battered general utility man of the Coriolanus office, who speaks the Jewish dialect, are somewhat farcical, but fill the picture fittingly. Excerpt from *The Drama: A Quarterly Review of Dramatic Literature*; August, 1912 Wast thou not Beatrice, a simple child, That played with crown and throne, because they glittered, And with a poet's soul, because mysterious, And with a stripling's heart, because forsooth 'twas given thee? But we are too severe And an error 't not, and each of us demanded Not only that he be the only plaything - more, The world and all to thee. And thee we chid A traitress, wicked - and thou wast a child! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Excerpt from The Drama Magazine: A Quarterly Review of Dramatic Literature; February, 1912 I was living then, rue Matignon, in an apartment such as I like, well situated, light and empty. The room I used most was quite large, it was furnished with a wooden shelf against the wall, an arm chair and a walking stick; nothing else. I paced this room from night till morning in a state of excitement which is natural to me and which I need. More often I worked in front of the looking glass. I sought the very gesture of my characters and waited until the proper word, the exact phrase came to my lips. All I want when I write is to satisfy myself. Excerpt from The Drama: A Quarterly Review of Dramatic Literature; February 1911 Scene: A magnificent drawing-room, almost bare of furniture, opening through an arch with sliding doors into a splendid dining-room, hung with stamped leather in a pattern of gold flowers on a dark ground, and furnished with carved walnut. The ceiling of the drawing-room is of gilded panels and the walls covered with tapestry. The large table of the dining-room is loaded with traveling bags, rugs, straps and umbrella holders, etc. No bric-a-brac is visible. The house is clearly dismantled to be left by its tenants permanently. To the right, two doors; the first leads to room of Giovanni Rosani, the second to Tommy's. Left, in the rear, a door leading to the hallway. Forward that of Giulia 's room. The dining-

room has a single door in its left corner. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work.
