Dream magic is extremely difficult to master, so it’s no surprise that so few are able to practice it. In order to become adept at dream magic, you must first become a master at advanced lucid dreaming, which usually takes years of study and practice (advanced lucid dreaming is the act of consciously controlling your dreams).

**Dream Magic 101 - Lucid Goddess**

The user is able to use magic that affects and influences dreams. They can enter the dreams of others, influence and control them, and can even bring objects and beings from their dreams into the real world. Applications. Dream Inducement; Dream Manipulation.
