Rhapsody: A Dream Novel, also known as Dream Story, is a 1926 novella by the Austrian writer Arthur Schnitzler. The book deals with the thoughts and psychological transformations of Doctor Fridolin over a two-day period after his wife confesses having had sexual fantasies involving another man. In this short time, he meets many people who give clues to the world Schnitzler creates. This culminates in the masquerade ball, a wondrous event of masked individualism, sex, and danger for Fridolin as t

Dream Story by Arthur Schnitzler | 9781931243483 ...

Atmospheric and haunting! Schnitzler's novella is a perfect Dream (or dream-like) Story. He doesn't create the kind of dream world that is engineered by hanging two moons from the ceiling. His world only consists of realistic things and events and yet it is shadowed by something intangible and unsettling. He simply colors the world his

Arthur Schnitzler | Bartleby

This TV movie is based on Arthur Schnitzler 's novella "Traumnovelle", first published in 1926, which was later adapted by Stanley Kubrick as Eyes Wide Shut (1999).

Part of the TWENTIETH CENTURY CLASSICS, this story, translated from the German by J.M.Q.Davies, tells how through a simple sexual admission a husband and wife are driven apart into rival worlds of erotic revenge.

In Dream Story, a married couple are first traumatized and then achieve a new depth of understanding by confessing to each other their sexual fantasies, dream-like adventures and might-have-beens. Taking us on a guided tour of Vienna's seedy cafés, red-light district, decadent villas, hospitals and morgue, Schnitzler brilliantly uncovers the violence and depravity lurking beneath the surface of civilized society. Like his Viennese contemporary Sigmund Freud, the doctor and writer Arthur Schnitzler was a bold pioneer in exploring the dark tangled roots of human sexuality.

'Her fragrant body and burning red lips' A married couple reveal their darkest sexual fantasies to each other, in this erotic psychodrama of infidelity, transgression and decadence in early twentieth-century Vienna. Ten new titles in the colourful, small-format, portable new Pocket Penguins series

This wonderful translation of Dream Story will allow a fresh generation of readers to enjoy this beautiful, heartless and baffling novella. Dream Story tells how through a simple sexual admission a husband and wife ware driven apart into rival worlds of erotic revenge.

In this story, the inspiration for the Stanley Kubrick films Eyes wide shut, Fridolin's experiences during one night and the following day teach him that one can never truly know another person, even a well-loved one.

The term alpenglühn, or alpenglow, refers to the purple light that can often be seen on the tops of mountains, a spectacularly beautiful natural phenomenon. But in this magnificent volume of photographs, it's not only the Alps that are glowing in warm translucent light, but the girls also. Is this for real? It seems these strikingly pretty creatures have climbed up steep hills and hiked through meadows only to cast off their dirndls with enthusiastic aplomb. Well, Stefan Söll knows exactly how to turn such fantasies into reality. He celebrates the natural beauty of alpine flora and fauna, using the mountains where Germany, Austria, and Switzerland meet as his setting. His studio in Friedrichshafen on the Bodensee is in the perfect location from which to start these photographic excursions.

Dream Story...is a sensual tale that explores the subconscious, forbidden desires of a husband and wife, in both their dreams and fantasies and their increasingly daring sexual adventures. Ahead of its time and marked by the deep influence of the author's contemporary, Sigmund Freud, Schnitzler's novel has become a modernist classic. In this volume the original story's themes of depravity and the elusive ambiguity of dream and reality can be compared to Kubrick's own transforming vision -- in the film that has become the culminating achievement of his career...

A hilarious takedown of celebrity and false genius, never before available in the US. An NYRB Classics Original Eduard Saxberger is a quiet man who is getting on in years and has spent the better part of them working at a desk in an office. Once upon a time, however, he published a book of poetry, Wanderings, and one day when he returns from his usual walk he finds a young man waiting for him. "Are you," he wants to know, "Saxberger the poet?" Is Saxberger Saxberger the poet? Was he ever a poet? A real poet? Saxberger hasn't written a poem for years, but he begins to frequent the coffee shops of Vienna with his young admirer and his no less admiring circle of friends, and as he does he begins to yearn for a different life from the daily round followed by rounds of drinks and billiards with familiar buddies like Grossinger, the deli owner. And the ardent attentions of Fräulein Gasteiner, the tragedienne, are not entirely unwelcome. The Hope of Young Vienna is how the young artists style themselves, and they are arranging an event that will introduce them to the world. They insist that the distinguished author of Wanderings take part in it as well. Will he write something new for the occasion? Will he at last receive his due? Late Fame, an unpublished novella recently rediscovered in the papers of the great turn-of-the-century Austrian playwright and novelist Arthur Schnitzler, is a bittersweet parable of hope lost and found.

This English translation of Arthur Schnitzler's "Der Weg ins Freie" (1908) was first published in 1913 and is one of only two novels—the other being "Therese" (1928)—by the Viennese author, who was better known for his short stories and plays, including "Reigen" ("Round Dance"), known to most English-speaking readers as "La Ronde." "The Road to the Open" tells the story of the aristocratic young composer Georg von Wergenthin-Recco who has talent but lacks the drive to get down to work and spends most of his time socializing with members of the assimilationist, artistically sensitive Jewish bourgeoisie of Vienna and other non-Jews like himself who enjoy their company. A love affair with a Catholic lower middle class girl, combined with the author's authentic descriptions of the milieu, the arts, the psychology of love, and the anti-Semitism that was coming to dominate so much of life and politics in the Austria-Hungary of the time, make this novel a classic. "One of the most important, representative, revelatory works of Austria at the turn of the century...The best English version of the novel."—Marc A. Weiner, Indiana University "In Arthur Schnitzler the two strands of Austrian fin-de-siècle culture, the moralistic and the aesthetic, were present in almost equal proportions. Small wonder that Freud hailed Schnitzler as a 'colleague' in the investigation of the 'underestimated and much-maligned erotic.'"—Carl Schorske, author of Fin-de-Siècle Vienna

Schaefer has translated three of Schnitzler's greatest novellas--Dying, Flight into Darkness, and Fraulein Else.
