### *Installation Guide*

Frugal Install . The Frugal  
Install is an installation  
of a compressed image of DSL  
that you have saved to the  
hard drive. In other words,  
it is the same as booting  
the CD except the image is  
not on a CDROM it is on the  
hard drive. The new DSL-N  
system only offers frugal as  
a hard drive option for  
install.
