From Olympia, Washington to Skagway, Alaska, Northwest Boat Travel is the quintessential cruising guide for boaters. Now in its 43rd year, NBT is a yearly recreational cruising guidebook containing updated detailed information on ports-of-call, anchorages, bays, inlets, waterways, marine parks, marina & resort facilities, fuel docks, and services to see and do along your journey. The chapters are laid out geographically and each includes a handy essential supplies and services list covering almost every eventuality. Whether your trip includes exploring the San Juan Islands, the inside passage, Desolation Sound, or all of the above, NBT will help you along your journey.

Written for restorers and hot rodders using Chevrolet inline sixes, this illustrated, hands-on manual features all the step-by-step information needed to rebuild one of these powerplants for use on the street or strip. Advice covers a plethora of topics ranging from development history and selecting a block to modifying the oiling system, sealing, camshaft designs, cylinder heads, manifolds, ignitions, and supercharging and turbocharging.

Coverage is complete from the Susquehanna River and Havre de Grace, including the Chesapeake & Delaware Canal, all the way south to Little Choptank River on the Eastern Shore, and Solomons and the Patuxent River on Chesapeake Bay's west shore. All rivers and their tributaries are completely described. Ample GPS coordinates are given. A pocket inside the rear cover contains a 26? x 39? folded chart printed on both sides, showing the entire Upper Bay on a scale useful for laying long courses. There are 12 Tidal Current Charts, one for each hour of a complete diurnal tide cycle. 384 pages, 8?? x 11?, 134 charts, diagrams, street maps, and sketches; 125 photos.

With a little planning and foresight, refrigeration is absolutely not necessary. In this book, the author discusses how to store food and make delicious meals without the use of a refrigerator. From milk and cheese to eggs and meat, the book lays out ways any boater, hiker, or camper can have home-cooked meals without artificially freezing or cooling their food. Broken down into handy categories, this reference guide gives techniques on how to properly wash, store, treat, and cook your food for maximum flavor and usability. Written by a dedicated sailor whose own skills were honed on months-long journeys, the tips in this guide can be put to use by anyone trying to avoid heavy, power-sucking refrigerators. Sailors, campers, and hikers all could benefit, and the books serves equally well for those in RVs, those with limited space, and those trying to live off the grid.

This set contains 2 binders and nine books. The books are as follows: Outboard Motor Service Manual Volume 1, Outboard Motor Service Manual Volume 2, Old Outboard Motor Service Manual Volume 1, Old Outboard Motor Service Manual Volume 2, Inboard Outdrive Service Manual, Inboard Engine/Transmission and Drive Service Manual, Personal Water Vehicles Manuals, Outboard Flat Rate Manual, and Motor and Board Identification Reference Manual.

Lyman Boats: Legend of the Lakes... is the definitive, all-inclusive history of the "Clinker-Built" boats that defined the lapstrake hull. Author Tom Koroknay has used his exclusive access to the original Lyman archives to tell the story of the Lyman family, their successful business, and the boats they built. Era by era, model by model, Koroknay details the development of the lapstrake boats proudly built by the Lymans and their employees. The book is illustrated with more than 120 rare black and white photographs selected from the Lyman archives, as well as about 70 modern color photos of various Lyman boats. This is a must-have volume for any classic wooden boat enthusiast.
