Community and Europe meet in secret, exchanging hostages? And who are Les Coureurs des Bois? Along with a motley crew of strays and mafiosi and sleeper agents, Rudi sets out to answer these questions — only to discover that the truth lies both closer to home and farther away than anyone could possibly imagine.

When Alex Dolan is hired by multibillionaire Stanislaw Clayton to write a book about the Sioux Crossing Supercollider, it seems like a dream job. Then something goes wrong at the site. Very wrong. After the incident, Dolan finds himself changed, and the only one who can stop the disaster from destroying us all.

The first humans still hunt their children across the stars. Dave Hutchinson brings far future science fiction on a grand scale in *Acadie*. The Colony left Earth to find their utopia—a home on a new planet where their leader could fully explore the colonists' genetic potential, unfettered by their homeworld's restrictions. They settled a new paradise, and have been evolving and adapting for centuries. Earth has other plans. The original humans have been tracking their descendants across the stars, bent on their annihilation. They won't stop until the new humans have been destroyed, their experimentation wiped out of the human gene pool. Can't anyone let go of a grudge anymore? For Adam Hardy and his small Berkshire community, hardship is all they've ever known. For almost a century after the coming of *The Sisters*, the survivors of rainswept England have huddled in their tiny communities, scavenging the ruins of the old world. Now, finally, the Long Autumn is coming to an end, and society of a kind is starting to rebuild. But for how long? A new tyrant, Frank Pendennis, has risen in the east, while rumours of something even worse are coming from the north. The struggle to inherit the world is just beginning.

Hitman Don Drake owes a gambling debt to a demon. Forced to carry out one more assassination to clear his debt, Don unwittingly kills an innocent child and brings the Furies of Greek myth down upon himself. Rescued by an almost-fallen angel called Trixie, Don and his magical accomplice The Burned Man, an imprisoned archdemon, are forced to deal with Lucifer himself whilst battling a powerful evil magician. Now Don must foil Lucifer's plan to complete Trixie's fall and save her soul whilst preventing the Burned Man from breaking free from captivity and wreaking havoc on the entire world.

ZERO SUM GAME Best of Lists: * Best Books of the Month at The Verge, Book Riot, Unbound Worlds, SYFY, & Kirkus * The Mary Sue Book Club Pick * Library Journal Best Debuts of Fall and Winter A blockbuster, near-future science fiction thriller, S.L. Huang's *Zero Sum Game* introduces a math-genius mercenary who finds herself being manipulated by someone possessing unimaginable power... Cas Russell is good at math. Scary good. The vector calculus blazing through her head lets her smash through armed men twice her size and dodge every bullet in a gunfight, and she'll take any job for the right price. As far as Cas knows, she's the only person around with a superpower...until she discovers someone with a power even more dangerous than her own. Someone who can reach directly into people's minds and twist their brains into Moebius strips. Someone intent on becoming the world's puppet master. Cas should run, like she usually does, but for once she's involved. There's only one problem... She doesn't know which of her thoughts are her own anymore. "Fresh and exciting... a great start to an exciting series--and an exciting career." --Boing Boing At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Europe in Autumn is a thriller of espionage and the future which reads like the love child of John le Carré and Franz Kafka. Rudi is a cook in a Kraków restaurant, but when his boss asks Rudi to help a cousin escape from the country he's trapped in, a new career - partspy, part people-smuggler - begins.

Following multiple economic crises and a devastating flu pandemic, Europe has fractured into countless tiny nations, duchies, polities and republics. Recruited by the shadowy organisation Les Coureurs des Bois, Rudi is schooled in espionage, but when a training mission to The Line, a sovereign nation consisting of a trans-Europe railway line, goes wrong, he is arrested, beaten and Coureur Central must attempt a rescue. With so many nations to work in, and identities to assume, Rudi is kept busy travelling across Europe. But when he is sent to smuggle someone out of Berlin and finds a severed head inside a locker instead, a conspiracy begins to wind itself around him. With kidnapping, double-crosses and a map that constantly re-draws, Rudi begins to realise that underneath his daily round of plot and counter plot, behind the conflicting territories, another entirely different reality might be pulling the strings...
