The further adventures of Eve Ross, best friend of Katey Kontent in *Rules of Civility*, the New York Times bestselling novel by Amor Towles. Coming this fall, *A Gentleman in Moscow* – the highly anticipated new novel from Amor Towles. Near the end of Amor Towles' s bestselling novel *Rules of Civility*, the fiercely independent Evelyn Ross boards a train from New York to Chicago to visit her parents, but never disembarks. Six months later, she appears in a photograph in a gossip magazine exiting the Tropicana Club on Sunset Boulevard on the arm of Olivia de Havilland. In this novella made up of six richly detailed and atmospheric stories, each told from a different perspective, Towles unfolds the events that take Eve to the heart of Old Hollywood. Beginning in the dining car of the Golden State Limited in September 1938, we follow Eve to the elegant rooms of the Beverly Hills Hotel, the fabled tables of Antonio' s, the amusement parks on the Santa Monica piers, the afro-Cuban dance clubs off Central Avenue, and ultimately the set of *Gone with the Wind*. With the glamour and grit of the studio system' s golden age as a backdrop, Towles introduces in each story a memorable new character whose fate may well be altered by their encounter with Eve. In following the thread of these varied encounters, we watch as Eve forges a new and unexpected life for herself in late 1930s Los Angeles.

Journalist, party girl, bookworm, artist, muse: by the time she 'd hit thirty, Eve Babitz had played all of these roles. Immortalized as the nude beauty facing down Duchamp and as one of Ed Ruscha ' s Five 1965 Girlfriends, Babitz ' s first book showed her to be a razor-sharp writer with tales of her own. Eve ' s Hollywood is an album of vivid snapshots of Southern California ' s haute bohemians, of outrageously beautiful high-school ingenues and enviably tattooed Chicanas, of rock stars sleeping it off at the Chateau Marmont. And though Babitz ' s prose might appear careening, she ' s in control as she takes us on a ride through an LA of perpetual delight, from a joint serving the perfect taquito, to the corner of La Brea and Sunset where we make eye contact with a roller-skating hooker, to the Watts Towers. This “ daughter of the wasteland ” is here to show us that her city is no wasteland at all but a glowing landscape of swaying fruit trees and blooming bougainvillea, buffeted by earthquakes and the Santa Ana winds—and every bit as seductive as she is.

From the #1 New York Times-bestselling author of The Lincoln Highway and A Gentleman in Moscow, a “ sharply stylish ” (Boston Globe) book about a young woman in post-Depression era New York who suddenly finds herself thrust into high society—now with over one million readers worldwide On the last night of 1937, twenty-five-year-old Katey Kontent is in a second-rate Greenwich Village jazz bar when Tinker Grey, a handsome banker, happens to sit down at the neighboring table. This chance encounter and its startling consequences propel Katey on a year-long journey into the upper echelons of New York society—where she will have little to rely upon other

# Where To Download Eve In Hollywood Ebook Amor Towles

than a bracing wit and her own brand of cool nerve. With its sparkling depiction of New York ' s social strata, its intricate imagery and themes, and its immensely appealing characters, Rules of Civility won the hearts of readers and critics alike.

"Babitz ' s talent for the brilliant line, honed to a point, never interferes with her feel for languid pleasures."  
—The New York Times Book Review A new reissue of Babitz ' s collection of nine stories that look back on the 1980s and early 1990s—decades of dreams, drink, and glimpses of a changing world. Black Swans further celebrates the phenomenon of Eve Babitz, cementing her reputation as the voice of a generation. With an introduction by Stephanie Danler, bestselling author of Sweetbitter. "On the page, Babitz is pure pleasure—a perpetual – motion machine of no – stakes elation and champagne fizz." —The New Yorker "[A] true original."  
—The Boston Globe "She ' s a natural. Or gives every appearance of being one, her writing elevated yet slangy, bright, bouncy, cheerfully hedonistic—L.A. in its purest, most idealized form." —Vanity Fair "Babitz's writing is also like the jacaranda tree in glorious bloom—bewitching an entire city, but all too brief." —Los Angeles Review of Books

No one burned hotter than Eve Babitz. Possessing skin that radiated “ its own kind of moral laws, ” spectacular teeth, and a figure that was the stuff of legend, she seduced seemingly everyone who was anyone in Los Angeles for a long stretch of the 1960s and ' 70s. One man proved elusive, however, and so Babitz did what she did best, she wrote him a book. Slow Days, Fast Company is a full-fledged and full-bodied evocation of a

## Where To Download Eve In Hollywood Ebook Amor Towles

bygone Southern California that far exceeds its mash-note premise. In ten sun-baked, Santa Ana wind – swept sketches, Babitz re-creates a Los Angeles of movie stars distraught over their success, socialites on three-day drug binges holed up in the Chateau Marmont, soap-opera actors worried that tomorrow ' s script will kill them off, Italian femmes fatales even more fatal than Babitz. And she even leaves LA now and then, spending an afternoon at the house of flawless Orange County suburbanites, a day among the grape pickers of the Central Valley, a weekend in Palm Springs where her dreams of romance fizzle and her only solace is Virginia Woolf. In the end it doesn ' t matter if Babitz ever gets the guy—she seduces us.

New York Times bestselling author Nora Roberts weaves scandal, celebrity secrets, and murder into an explosive novel of Hollywood almost too wicked not to be true: the story of a legendary actress who knows too much—and the woman she ' s chosen to reveal it all. . . Eve Benedict is the kind of subject who could make any biographer ' s career. Last of the movie goddesses, she has two Oscars, four ex-husbands, and a legion of lovers, both famous and infamous. Now she is ready to write a tell-all memoir that has even Hollywood ' s richest and most powerful worried. Julia Summers never dreamed of being chosen to tell Eve ' s story. But even if it means transplanting herself and her ten-year-old son from their quiet life in Connecticut to the withering limelight of Beverly Hills, it ' s an opportunity too great to pass up. But Julia never imagined how far someone would go to keep Eve Benedict ' s book from being published . . . until she discovers just how dark Eve ' s secrets are. And the one man Julia hopes she

# Where To Download Eve In Hollywood Ebook Amor Towles

can trust—Eve ' s stepson, Paul Winthrop—may have the most to gain if his stepmother ' s story is never told . . . and if Julia ' s life ends before she can write a word of the truth. “ Roberts does a beautiful job weaving together the movie star ' s titillating tales and the love story that develops. ” —USA Today

A fascinating, complex dual biography of Hollywood's most dazzling—and famous—brothers, and a dark, riveting portrait of competition, love, and enmity that ultimately undid them both. One most famous for having written *Citizen Kane* (with Orson Welles, as most recently portrayed in David Fincher's acclaimed Netflix film, *Mank*); the other, *All About Eve*; one, who only wrote screenplays but believed himself to be a serious playwright, slowly dying of alcoholism and disappointment; the other, a four-time Academy Award-winning director, auteur, sorcerer, and seducer of leading ladies, one of Hollywood's most literate and intelligent filmmakers. Herman Mankiewicz brought us the Marx Brothers' *Monkey Business*, *Horse Feathers*, *Duck Soup*, W. C. Fields's *Million Dollar Legs*, wrote screenplays for *Dinner at Eight*, *Pride of the Yankees*, cowrote *Citizen Kane* (Pauline Kael proclaimed that the script was mostly Herman's), and eighty-nine others . . . Talented, witty (Alexander Woollcott thought him "the funniest man who ever lived,"), huge-hearted, wildly immature, a figure of renown and success. Herman went to Hollywood in 1926, was almost immediately successful (his telegram to Hecht back east: "MILLIONS ARE TO BE GRABBED OUT HERE AND YOUR ONLY COMPETITION IS IDIOTS. DON'T LET THIS GET AROUND."), becoming one of the highest-paid screenwriters in Hollywood . . . Joe, eleven years

# Where To Download Eve In Hollywood Ebook Amor Towles

younger, focused, organized, a disciplined writer, with a far more distinguished career, surpassing his worshipped older brother . . . producing *The Philadelphia Story*, writing and directing *A Letter to Three Wives* and *All About Eve*, both of which won him Oscars for writing and directing (*All About Eve* received a record fourteen Oscar nominations), before seeing his career upended by the spectacular fiasco of *Cleopatra* . . . In this large, moving portrait, meticulously woven together by the grandson of Herman, great-nephew of Joe, we see the lives of these two men--their dreams and desires, their fears and feuds, struggling to free themselves from their dark past; and the driving forces that kept them bound to a system they loved and hated.

It is the 1970s in LA, and Jacaranda Leven - child of sun and surf - is swept into the dazzling cultural milieu of the beautiful people. Floating on a cloud of drink, drugs and men, she finds herself adrift, before her talent for writing, and a determined literary agent, set her on a course for New York and a new life. *Sex & Rage* is a recently re-discovered classic from author Eve Babitz, herself a muse to many an artist, writer and musician in the 1970s. A semi-autobiographical novel, it charts the highs and lows of a life lived at the limits, and transports the reader to a sunnier, dreamier, more reckless time and place.

Previously uncollected nonfiction pieces by Hollywood's ultimate It Girl about everything from fashion to tango to Jim Morrison and Nicholas Cage. With *Eve's Hollywood* Eve Babitz lit up the scene in 1974. The books that followed, among them *Slow Days*,

# Where To Download Eve In Hollywood Ebook Amor Towles

Fast Company and Sex and Rage, have seduced generations of readers with their unfailing wit and impossible glamour. What is less well known is that Babitz was a working journalist for the better part of three decades, writing for the likes of Rolling Stone, Vogue, and Esquire, as well as for off-the-beaten-path periodicals like Wet: The Magazine of Gourmet Bathing and Francis Ford Coppola ' s short-lived City. Whether profiling Hollywood darlings, getting to the bottom of health crazes like yoga and acupuncture, remembering friends and lovers from her days hobnobbing with rock stars at the Troubadour and art stars at the Ferus Gallery, or writing about her beloved, misunderstood hometown, Los Angeles, Babitz approaches every assignment with an energy and verve that is all her own. I Used to Be Charming gathers nearly fifty pieces written between 1975 and 1997, including the full text of Babitz ' s wry book-length investigation into the pioneering lifestyle brand Fiorucci. The title essay, published here for the first time, recounts the accident that came close to killing her in 1996; it reveals an uncharacteristically vulnerable yet never less than utterly charming Babitz.
