Dr. Benor addresses his explorations from the standpoint of an advocate, but one who is an open-minded explorer, neither from a religious nor a conventional medical perspective. The breadth and depth of the research reports in this volume, on the psychic, intuitive and spiritual aspects of healing will engage even the knowledgeable reader. This book is destined to take its place among the most influential and controversial in the field of claims, reports, and experiences of unconventional healing and spiritual awareness.

Why do you practice psychotherapy? In this exciting volume, some of the field's leading therapists tell true stories which evoke the pleasures, joys, and satisfactions that inspire passion for therapeutic work. Rather than focusing on the stresses and strains of being a clinician, these dramatic, poignant, wise, sometimes humorous and always soulful stories will help you gain (or regain) hope and excitement, and ultimately inspire a recommitment to a profession that, at its heart and soul, is about helping people.

"A scientific exploration of non-medical healing and its ramifications. This unusual, sophisticated study into psychic and paranormal healing explores what actually occurs during healing. The authors probe the secrets of the shaman and medicine man, the intuitive healers and the espiritista practitioners, and interview such noble healers as Rolling Thunder, Josef Zezulka, H. G. Andrade, Dona Pachita, and Josephina Sison. This new, revised edition contained updates and an entirely new chapter on psychic healing in the laboratory" -- Back cover.

Aliens, ghosts, and monsters haunt the pages of this eerie trip around the Scary States of America. With Jason Specter—the nation's unofficial collector of all things paranormal—As your guide meet the girl in Illinois who can start fires with her mind, the Skunk Ape of Florida that knocks victims flat with its stench, the mischievous Shadow People of Arkansas, the Jersey Devil, the extraterrestrials who take human organs as a souvenir of their trip to Washington, and the wailing ghost of a teenage girl trapped forever in an Oregon lighthouse. Some of these visitors from other worlds don't mean to hurt anyone . . . and some of them do. Warning: All of these stories are based on true events. Are you ready to face the terror in your state? From the Trade Paperback edition.

The only field guide to stone walls in the Northeast. Exploring Stone Walls is like being in Thorson's geology classroom, as he presents the many clues

that allow you to determine any wall's history, age, and purpose. Thorson highlights forty-five places to see interesting and noteworthy walls, many of which are in public parks and preserves, from Acadia National Park in Maine to the South Fork of Long Island. Visit the tallest stone wall (Cliff Walk in Newport, Rhode Island), the most famous (Robert Frost's mending wall in Derry, New Hampshire), and many more. This field guide will broaden your horizons and deepen your appreciation of New England's rural history.

Be Careful What You Wish For. . . Only a woman with nothing left to lose knocks on a vampire's door and asks for help. Shannah Davis is convinced that the mysterious dark-haired man she's followed for months can save her life--if he doesn't kill her first. But though Ronan insists he can't give her what she needs, his kiss unleashes a primal hunger that makes her feel truly alive for the first time. After centuries of existence, Ronan has done the unthinkable. He has fallen in love with a mortal--and one with only weeks to live. Sensing the fear and reluctance beneath Shannah's request, he offers her a different bargain that will keep her near him during the time she has left. Every hour spent together leaves him craving her touch, her scent, her life's essence. Soon, only Shannah can satisfy his thirst. But if he saves her from death, will she love him for it--or spend eternity regretting what she has become?
