An ideal introduction to a diverse mix of genres and styles With Exploring Literature, students begin to appreciate a wider scope of literary works. The newly updated and expanded text includes a full range of selections to draw readers in—from fables, myths, tall tales, and legends to short stories, nonfiction, poetry, and drama. Students experience the works of classic and contemporary authors, including Mark Twain, Gwendolyn Brooks, W. W. Jacobs, Shakespeare, Yoshiko Uchida, and other respected American and international authors. New authors featured in this edition are Barack Obama and Natasha Trethewey. Now even more visually appealing, the revised Exploring Literature text focuses students' attention. In addition, the Teacher's Edition offers numerous ELL activities and instructions for integrating graphic organizers into the lessons. Many activities for increasing learning are also provided on the Teacher's Resource Library. Lexile Level 880* Reading Level 3-4 Interest Level 8-12 * Lexile level of instructional content is 880; Lexile levels of individual text selections range from 540 to 1500.

Exploring Literature invites students to connect with works of literature in light of their own experiences and, ultimately, put those connections into writing. With engaging selections, provocative themes, and comprehensive coverage of the writing process, Madden's anthology is sure to capture the reader's imagination. Exploring Literature opens with five chapters dedicated to reading and writing about literature. An anthology follows, organized around five themes. Each thematic unit includes a rich diversity of short stories, poems, plays, and essays, as well as a case study to help students explore literature from various perspectives.

Featuring culturally rich and diverse literature, this anthology weaves critical thinking into every facet of its writing apparatus and guides students through the process of crafting their personal responses into persuasive arguments. With engaging selections, provocative themes, and comprehensive coverage of the writing process, Madden's anthology is sure to capture the reader's imagination. Exploring Literature opens with five chapters dedicated to writing and arguing about literature. An anthology follows, organized around five themes. Each thematic unit includes an ethnically diverse collection of short stories, poems, plays, and essays, as well as a case study to help students explore literature from various perspectives.

Providing intriguing insights for students, film buffs, and readers of various genres of fiction, this fascinating book delves into the psychology of 100 well-known fictional characters. • Provides an engaging and entertaining way to learn about both positive psychology and mental health issues through the behavior of interesting and often familiar characters, leading to a better understanding of human behavior • Helps readers distinguish realistic depictions of psychological disorders from inaccurate ones, providing a basis for avoiding negative mental health stereotypes and stigma associated with mental illness • Covers a wide range of behaviors and psychological disorders arranged in a convenient format, making it easy to find and learn about particular topics that can be read in or out of order

The Literature Workbook is a practical introductory textbook for literary studies, which can be used either for independent study or as part of a taught class. Laying the ground for further study, The Literature Workbook introduces the beginning student to the essential analytic and interpretative skills that are needed for literary appreciation and evaluation. It also equips the teacher with practical tools and materials for use in seminars or when setting written assessments and projects. Arranged according to genre and chronology, the chapters acquaint the reader with a range of key figures in English literature and encourage the reader to think about them in their historical and cultural contexts. Adopting a user-friendly case-study approach, each chapter contains * exercises and activities * discussion hints * project work * suggestions for further reading The Workbook also includes: * a glossary * a subject and name index.

The guiding philosophy in the development of [this book] is that, through literature, students are able to develop skills essential to their academic, professional, and personal success. Through reading and analysis, critical thinking, and analytical writing about a literary text, students develop the ability to see, understand, and appreciate more than one perspective. [This book] is a literary reader with strong comprehension and literary analysis components. The intended audience is all college composition students, both native speakers of English and nonnative speakers.—Pref. This anthology of short stories and poems ranges from more traditional selections by authors such as Ernest Hemingway to more contemporary works by authors such as Toni Cade Bambara. Selections cover diverse perspectives on the American experience.—Back cover.
