The book "Eyes, Nose, Fingers and Toes" by Judy Hindley is classified as juvenile fiction; the targeted age group is 0-5. It's appropriate for early readers; the story is written in a way to guide young children to identify their body parts and ways to use those parts; good pick for an "All About Me" theme.

Anonymous, Sesame

Fingers, Toes (Bendon

for lack of information (no  
author listed). We liked  
this one somewhat better  
than Bubbles, Bubbles!  
(q.v.), if only because the  
rhyme scheme was more  
coherent here—it feels more  
like it was written by one  
person than by (inept)  
committee.
