Fe Engine

initial. You shouldn't be concerned with total timing at this point.

What the engine wants once you are ready for tuning really depends on a very long list of variables and no one can get you to the sweet spot over the distance of the Internet.

Ford FE Engine Forum

The 3RZ FE engine has a timing chain, which drives the intake camshaft only. The intake camshaft rotates the exhaust camshaft by a scissors gear.

Camshaft specifications:

intake duration - 230

degrees; exhaust

duration - 224 degrees.
