Finding God (Book, 1993) [WorldCat.org]

Finding God speaks honestly and openly about the pain and hardship in our circumstances. Larry Crabb writes about the hurt in the loss of his brother in a plane crash and how this pain has impacted his walk with Christ. He lends his own insights as to the why and the answers God won't provide as well as what He does provide.

Dr. Crabb demonstrates that our deepest problem and worst sin is doubting God. When we doubt God's goodness, when we think that god cannot be trusted with the things that matter most, we will quietly-but with tight -lipped resolve-take over responsibility for our own well-being-with disastrous results.
