There are not 100 different animals as advertised... certain animals are listed twice, like the lions, and other animals are just baby versions (like cat and kitten). Also, overlooking the duplicates, there are 101 pictures and 119 individuals, so I just don't know what to think anymore. flag 3 likes · Like · see review

First 100 Words is probably the most common point of entry for many in this series (and probably the best). First 100 Animals isn't bad by any means. However, across 106 entries it duplicates a few animals. There are three entries for owl with one distinguished by name (snowy owl - so I allow them this one) but the other two left without clarification. I'll even allow them the entries where ...
