Wide ruled paper is
commonly used by
kids in grade
school because it

has a more generous line spacing which helps beginners with their handwriting. The space between the lines is $1\frac{1}{32}$ inches. Narrow ruled paper is usually proffered by those who want to fit more text on the page, but still

like to keep the structure that line paper offers. For this format, the spacing between the lines is $\frac{1}{4}$ inches.
