This 210 paged book contains both journals written by Dylan Klebold and Eric Harris along with a side by side transcript for easier reading. Both journals span two years leading up to what became America's worst high school shooting in U.S. history of its time. When both teenagers went on a shooting spree at Columbine High School in Littleton, Colorado, killing 13 people and wounding more than 20 others before turning their guns on themselves and committing suicide.Contained in these journals are their plans of how they envisioned killing as many as 500 students, before going on to attack neighbouring homes. As well was as an eerie plan to hijack a jet and crash it in New York. Also included are some of Eric's internet writing and the infamous 'Basement tapes' transcripts partly recorded 30 minutes before their terrible killing spree.
