Port Manteaux churns out silly new words when you feed it an idea or two. Enter a word (or two) above and you'll get back a bunch of portmanteaux created by jamming together words that are conceptually related to your inputs.. For example, enter "giraffe" and you'll get back words like "gazellephant" and "gorilldebeest".

NOTE: Writing a history of NESARA requires locating the separate dots and attempting to put them together to create truth. The original documents are sequestered and those individuals directly involved are still under a strict gag order. I have used as my foundation a history written by James Rink. My research set out to prove NESARA by locating original documents and articles written by ...
