An account of the life and work of gnomes, based on first-hand observations by the author and artist, who, themselves turned into gnomes, visited with gnomes in Lapland and Siberia.

A collection featuring the description, the history and tales about gnomes.

A cozy book of gnomes (and gnomes), just in time for the holidays Kirsten Sevig grew up hearing about little gnomes in great Nordic folktales. When she realized that a " gnome " was also another word for a proverb, she brought the two together. The result is a charming collection of Scandinavian wisdom accented by whimsical illustrations. There are gnome women chopping wood (" chop your own wood and it will warm you twice "), men surreptitiously knitting (" two balls of yarn are better than one "), and gnome kids making snow angels, skiing, and more. In The Little Winter Book of Gnomes, Sevig invites readers into a cozy wonderland of her own prolific imagination. With recipes for holiday favorites like mulled cider and gingerbread, this book is the perfect gift to inspire readers to take joy in all of winter ' s little happy-makers.

Step-by-step instructions with patterns and diagrams for more than 50 gnome-inspired Christmas decorations and crafts.

Featuring candid photographs of garden gnomes, this charming follow-up to the "The Secret Lives of Gnomes" offers detailed information about the various customs that gnomes hold during Christmastime. Full color.

Little books about little beings! The best-selling Gnomes star in these three clever books bursting with Rien Poortvliet's charming illustrations. Perfect as a stocking stuffer or party favor, the slipcased set includes Little Gnome Facts, A Gnome Counting Book, and Gnomes to the Rescue, a fantastic adventure in which a gnome saves her husband from wicked trolls. All three teeny titles are pure delight for gnomophiles of all ages!

Beasts! is a classic mythological menagerie, comprised only of creatures that were thought at one time to actually exist, depicted by about a hundred of the most acclaimed artists and cartoonists coming from the most avant-garde ambits of the art world. The Beasts project has fired the imaginations of luminaries such as Craig Thompson, Souther Salazar, Jeff Soto, Glenn Barr, Dave Cooper, Tim Biskup, Seonna Hong, Jeremy Fish and Jay Ryan, who will present never-before-seen art completely original to this book, superbly laid out in breathtaking, full-color two-page spreads. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

Exiled to the United States after her father, a Middle Eastern dictator, is killed in a coup, fifteen-year-old Laila must cope with a completely new way of life, the truth of her father's regime, and her mother and brother's ways of adjusting.

Explains everything one might want to know about gnomes, including how long they live, what their houses are made of, how long pregnancy lasts, what they do for a living, and where they go on their honeymoon.
