Seneca awakens into his new existence as an augmented human, only to find it is a life of pain and mental anguish. He has lost everything he once held dear, his nerve endings are on fire, and perhaps he has become a puppet of the Gods. But salvation beckons in the form of the nagging voice inside his head that leads him ever closer to finding the Trinity. He will have to go to the catacombs beneath the city in order to find an answer to the greatest secret of all Mankind.

Confronted on one side by revolutionaries and coerced into service by the Rulers on the other Seneca walks the digital city of Delphi in search of clues. But when the leads dry up, he is forced into visiting the one place he had sworn he would never return to: the Church of the Trinity, the very place he is investigating. There is no one to trust. There is nowhere to escape. There is nothing for him but the upheaval of all he has ever known.

As Seneca investigates an attack by the church on the digital alter-realm known as the Stream, his world is turned upside down by the emergence of the resistance a group sworn to oppose the sinister Rulers and all they stand for. And when tragedy strikes, Seneca is forced to enter the wiretapped world of the Fates, who use predictive analytics to foresee his ultimate fate!

It's the moment of truth. After his confrontation with the revolutionaries, Seneca is getting rebuilt by the Rulers in a desperate measure to find the missing God, Trinity. He is now more powerful and closer to Trinity than ever, but it also costs him more than he's willing to pay.

The world is full of hidden magic, monsters, and gods! Paul is an everyday guy. Well, he's really the god Apollo (no, really!), and he's in hiding. Against great odds, Paul will battle monsters and demi-gods - and he'll even go to Hades and back to protect his mortal family! You'll see why being Paul's friend is dangerous... and being Paul is complex... Collects God Complex #1-7.
