Greater Than Yourself: The Ultimate Lesson of True ...
Greater Than Yourself shows how you can begin improving the world by giving of yourself. It's a wonderful message wrapped in a highly entertaining, well-written story. —Ken Blanchard, coauthor of The One Minute Manager® and Leading at a Higher Level "Greater Than Yourself is more than a good tale well told. It's a path-breaking book that brings to life the ultimate leadership lesson—that the highest purpose of our work is the development of other leaders.

Greater Than Yourself: The Ultimate Lesson of True ...
The long-standing saying "knowledge is power" has been used in many contexts. According to Steve Farber — author of GREATER THAN YOURSELF: The Ultimate Lesson of True Leadership — the only way for knowledge to truly lead to power in a person's life is for that person to give it away. The reason this principle works is seemingly simple: "Everyone will want to work with you.

Book Review: Greater Than Yourself | Lead on Purpose
The Greater Than Yourself relationship is reciprocal. In a sense, it's a bit of a misnomer. You can say that the implication is, "I'm going to make you greater than I am because I'm much greater than you." What we're saying is we're all greater than one another in certain endeavors, things and arenas.

Greater Than Yourself: The Ultimate Lesson of True ...
In Greater Than Yourself, Steve Farber proves them wrong. With this powerful and eye-opening story, Farber shows that the goal of true leadership is to help others—teammates, employees, and colleagues—become more capable, confident, and accomplished than their leaders.

An engaging parable illustrates how the goal of a genuine leader is to help others -- teammates, employees, and colleagues -- to become more capable, confident, and accomplished than they are themselves and to realize their full potential.

An inspiring parable on the greatest leadership lesson of all—that the best leaders go beyond the tenets of the Golden Rule and help others to be better than they are themselves. Too many people assume that the timeless principles of genuine leadership—of helping others achieve their full potential—don't apply Monday through Friday during work hours or in any circumstance where a paycheck is involved. In Greater Than Yourself, Steve Farber proves them wrong. With this powerful and eye-opening story, Farber shows that the goal of true leadership is to help others—teammates, employees, and colleagues—become more capable, confident, and accomplished than their leaders. Through the actions of a forward-thinking and extraordinarily successful CEO, Farber reveals the three keys to achieving what he calls GTY: Expand Yourself, Give Yourself, and Replicate Yourself. Filled with thought-provoking ideas and actionable principles, Greater Than Yourself offers a powerful message for today's business leaders.

An engaging parable illustrates how the goal of a genuine leader is to help others -- teammates, employees, and colleagues -- to become more capable, confident, and accomplished than they are themselves and to realize their full potential.

As a writer for AskMen.com, Examiner.com, co-founder and Dating and Relationship Consultant for Suave Lover International and the Suave Lover Podcast, long term bartender and public health professional, I have direct client, personal and social experiences towards improving and solving pick up, dating and relationship situations. The young straight men I've seen and worked with, initially want two things, to meet more women and have more sex. What they don't know is that the success for those two things relies on more than specific pick up lines and rico suave moves; it involves becoming a better man. The current market for pickup and dating self-help material is overwhelming, objectifying, lacks universality and misses out on this concept. The Essentials provides quick answers for men who want to improve their success with women but with a focus on overall development. Packaged as a travel-friendly, one-stop summary of the very best advice, with sections ranging from self-improvement to creating and sustaining relationships, The Essentials is what you need to improve your current status as a Man. Problem: The current market for pickup and dating self-help material is overwhelming, objectifying, and lacks universality. Solution: The Essentials, packaged as a travel-friendly, one-stop summary of advice, avoids pick-up lines or rico suave moves, and provides expert and concise answers for men who want to improve their success with women but with a focus on overall internal development. Short and to the Point: Read this - Meet more people, Have more sex, Improve yourself

One of America's most heralded young divers, David Boudia twice went for Olympic gold, training obsessively and whole-heartedly for success. In his first Olympics, he failed miserably, not winning a single medal. Four years later saw a different story: he mounted the podium twice, winning both gold and bronze. The difference? In the intervening years, he'd changed the focus of his quest from seeking glory for himself to giving glory to God. In Greater Than Gold, Boudia provides a behind-the-scenes access to the rarefied world of world-class athletics while also showing readers that when they place their hope in God, they receive what they've been seeking all along.

From the author of the acclaimed book Fierce Conversations comes the antidote to some of the most wrongheaded practices of business today. . "Provide anonymous feedback." . "Hire smart people." . "Hold people accountable." These are all sound, business practices, right? Not so fast, says leadership visionary and bestselling author Susan Scott. In fact, these mantras — despite being long-accepted and adopted by business leaders everywhere — are completely wrongheaded. Worse, they are costing companies billions of dollars, driving away valuable employees and profitable customers, limiting performance, and stalling careers. Yet they are so deeply ingrained in organizational cultures that no one has questioned them. Until now. In Fierce Leadership, Scott teaches us how to spot the worst "best" practices in our organizations using a technique she calls "squid eye"—the ability to see the "tells" or signs that we have fallen prey to disastrous behaviors by knowing what to look for. Only then, she says, can we apply the antidote. . Informed by over a decade of conversations with Fortune 500 executives, this book is that antidote. With fierce new approaches to everything from employee feedback to corporate diversity to customer relations, Scott offers fresh and surprising alternatives to six of the so-called "best" practices permeating today's businesses. This refreshingly candid book is a must-read for any manager or leader at any level who is ready to take a long hard look at what trouble might be lurking in their organization - and do something about it.

The Radical Leap is a business parable originally launched in 2004. In the last 10 years, the book has sold over 100,000 copies and inspires business leaders all over the world to bring Love, Energy, Audacity, and Proof to their work and their life.

For decades, best-selling author Louise Hay has transformed people's lives by teaching them to let go of limiting beliefs. Now in this tour de force, Louise teams up with her go-to natural health and nutrition experts, Ahlea Khadro and Heather Dane, to reveal the other side of her secret to health, happiness, and longevity: living a nutrient-rich life. Unlike any health book you've ever read, this work transcends fads, trends, and dogma to bring you a simple yet profound system to heal your body, mind, and spirit that is as gentle as changing the way you think. Louise, Ahlea, and Heather show you how to take your health, your moods, and your energy to the next level. In Loving Yourself to Great Health, you will: [] Tap into the secrets Louise has used for decades to supercharge the effectiveness of affirmations and bring your body back into alignment with your mind; [] Discover what nutrition really means and how to cut through the confusion about which diets really work; [] Learn to hear the stories your body is eager to reveal; and [] Uncover techniques for longevity, vitality, good moods, deep intuition, and for meeting your body's unique healing needs at all stages of life. At 88 years of age, Louise has much wisdom to share about what it takes to live a long, happy, healthy life. We invite you to join us on an amazing journey that will turn your life into your greatest love story.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of The Laws of Human Nature. In the book that People magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
