The Generic Universal RolePlaying System, or GURPS, is a tabletop role-playing game system designed to allow for play in any game setting. It was created by Steve Jackson Games and first published in 1986 at a time when most such systems were story- or genre-specific.. Players control their in-game

Gurps Villains

dramatically helps gives players this feel.

They're not supposed to win! Playing as true villains in RPGs is — I think — rare. This is especially true in campaigns, because GMing villains is really hard. Villains are often antisocial, selfish, fight amongst themselves, and are subject to being played as cartoons.
