My manual never arrived..... Haynes Books are very accomodating when writing to them. However, my manual, still hasn't arrived. Firstly, I ordered the manual 12th of February. Unfortunately I gave separate billing and shipping information. Haynes' system could load the typed shipping info onto the despatch note. Well, the book never showed up.

PepBoys even lists HaynesOnline as the place to go for car repairs. Instead of individual repair guides, you get an online manual repair book. These repair books offer extensive information on such topics as routine maintenance, tune-up procedures, engine repair, and more. Haynes isn't a free website, but it has three membership options.
