As a help desk professional, you understand that customers may come to you for a wide range of different reasons. But after you've been at the gig for a while, you'll start to realize that some issues re-occur time and time again. This can become monotonous as some IT pros get tired of fixing the same problems over and over.

~~The Most Common IT Help Desk Issues—SherpaDesk~~

Most businesses nowadays store their information on computers, and it is essential to ensure that the data is kept secure. As a technical support team member, it is crucial for you to be available to meet any needs of the staff may have on any given day. Take the test below and see how much you know about the computer help desk and technical support.

~~Computer Help Desk/Technical Support Test!—ProProfs Quiz~~

Your answer should indicate that you have a real knack for solving problems. Instead of just saying desktop support is my "passion", try to be original and answer the question in such a way that the interviewer feels that you really enjoy solving computer problems. So, a good answer would be: I've loved solving computer problems since I was a child.
