Henry Miller Tropic Of Cancer

Tropic of Cancer is a novel by Henry Miller that has been described as "notorious for its candid sexuality" and as responsible for the "free speech that we now take for granted in literature". It was first published in 1934 by the Obelisk Press in Paris, France, but this edition was banned in the United States. Its publication in 1961 in the U.S. by Grove Press led to obscenity trials that tested American laws on pornography in the early 1960s. In 1964, the U.S. Supreme Court declared the book n
