I have always hated that you hear things are broken for the poor and there is nothing we can do to fix it. Bryant offers suggestions on how the poor can stimulate the economy and gives ideas on how it can be done. Not just using government programs. The main focuses he uses are Seeding Hope, Investing in Hope, Nurturing Hope, and Harvesting Hope.

That's where the advice between wealthy and poor individuals diverges. Our financial commentators tell wealthy people to invest, and the impoverished to save. If only the poor would save more, their lives might be better. Except, if you've been following along, "saving money" doesn't mean protecting money.
