Cindy Lange-Kubick: From sharing a bedroom to sharing a street – a sister moves in

“I always loved doing hair. I’d do friends’ hair for dances in high school. I have three sisters. I’d always do their hair. I kind of knew from a young age that this is what I wanted to do.

The first book by acclaimed author Eileen Garvin—her deeply felt, impeccably written memoir, *How to Be a Sister* will speak to siblings, parents, friends, and teachers of people with autism—and to anyone who sometimes struggles to connect with someone difficult or different. Eileen Garvin’s older sister, Margaret, was diagnosed with severe autism at age three.

Growing up alongside Margaret wasn't easy: Eileen often found herself in situations that were simultaneously awkward, hilarious, and heartbreaking. For example, losing a blue plastic hairbrush could leave Margaret inconsolable for hours, and a quiet Sunday Mass might provoke an outburst of laughter, swearing, or dancing. How to Be a Sister begins when Eileen, after several years in New Mexico, has just moved back to the Pacific Northwest, where she grew up. Being 1,600 miles away had allowed Eileen to avoid the question that has dogged her since birth: What is she going to do about Margaret? Now, Eileen must grapple with this question once again as she tentatively tries to reconnect with Margaret. How can she have a relationship with someone who can't

The New York Times praised this best-selling picture book as "adorable, original, well-illustrated and fabulous." In this first book in the How-To Series (which includes How To Get Married and How to Get a Job), the know-it-all big sister narrator tells it like it is: When you're a baby you don't read books. You eat them. You don't know how old you are, or even if you're a boy or a girl. And you have to keep a special plug in your mouth to stop your scream from coming out. But one day, you won't be little anymore, and then you'll be taller and smarter, and actually quite clever. Like the narrator.

As a Sister-in-Training (SIT), Lulu is assigned a variety of temporary little “siblings” who are supposed to be so much fun Lulu will become excited to have a permanent sibling of her own. Well, no one ever said Camp Sisterhood was supposed to teach Lulu how to be a good big sister, so Lulu resolves to be a bad big sister. She insults her little siblings. She taunts them with secrets. She even tricks one of them into carrying both of their backpacks up a mountain! Then some BITs (brothers-in-training) from the neighboring Camp Brotherhood start picking on Lulu’s siblings, and Lulu responds by doing her red-faced, steam-coming-out-of-her-ears thing and showing those BITs
