Human Anatomy, 8th edition, 2015, by Martini, Timmons, Tallitsch, Chapter 19: Endocrine System, Napa Valley College, Fall 2014, Mr. Riddell

Human Anatomy, Martini, CH 19: Endocrine System

Human Anatomy Frederic H. Martini, Michael J. Timmons, Robert B. Tallitsch In this eighth edition of Human Anatomy, we have made a highly visual book even more visual in an effort to support student understanding of the intricacies of the human body. The new visuals are especially apparent in the new Spotlight Figures.

This textbook features a large, atlas-style format, consistent and appropriately detailed anatomical illustrations, clear photographs of tissues and cadavers, and time-saving study tools to give you a complete understanding of structures in the human body.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. xxxxxxxxxxxxxxxxxxxxxxxx Key Benefit: For those taking the one-semester Human Anatomy course Praised for its atlas-style format, appropriately detailed anatomical illustrations, and exceptionally clear photographs of tissues and cadavers, Human Anatomy is now more visual and interactive. The Eighth Edition includes new one- and two-page Spotlight Figures that seamlessly integrate text and visuals to guide students through complex topics. New QR codes let you use a smart phones to link directly from figures in the book to figures in the Practice Anatomy Lab(tm) (PAL(tm)) virtual anatomy program, giving you additional views for learning bones and muscles. The end-of-chapter Study Outlines now have memory-triggering visuals to help you remember chapter content. And the Eighth Edition now integrates book content with MasteringA&P® through expanded Coaching Activities. This program presents a better teaching and learning experience and provides. Personalized Learning with MasteringA&P. Become engaged with new Spotlight Figure Coaching Activities and a wide range of other question and activity types -- all automatically graded. Text-art Integration: New one- and two-page Spotlight Figures seamlessly integrate text and visuals to guide you through complex topics. You can study the Spotlight Figures in the book, and then instructors can assign them in MasteringA&P. Text-media integration. New QR codes in the chapters on the skeletal and muscular systems let you use your smart phones to link directly from figures in the book to figures in the Practice Anatomy Lab (PAL) virtual anatomy program, giving them additional views to help you learn bones and muscles. Time-saving Navigation and Study Tools: Navigate through difficult human anatomy topics through both the book and MasteringA&P. Note: You are purchasing a standalone product. MasteringA&P does not come packaged with this content. If you would like to purchase both the physical text and MasteringA&P search for ISBN-10: 0321902858 / ISBN-13: 9780321902856. That package includes ISBN-10: 0321863322 /ISBN-13: 9780321863322 and ISBN-10: 0321905601 / ISBN-13: 9780321905604. MasteringA&P is not a self-paced technology and should only be purchased when required by an instructor.

This textbook features a large, atlas-style format, consistent and appropriately detailed anatomical illustrations, clear photographs of tissues and cadavers, and time-saving study tools to give you a complete understanding of structures in the human body.

Since its first edition Human Anatomy has been praised for its clarity of presentation, outstanding visually oriented illustration program, and ability to help students understand anatomical structures. Past editions of Human Anatomy have won very prestigious awards, including the award for Textbook Excellence by the Text and Academic Authors Association and the award for Illustration Excellence by the Association of Medical Illustrators. The fourth edition continues this tradition of textbook excellence. Innovative pedagogical elements and a tightly integrated supplements package make this new edition an excellent choice for all anatomy courses.

Celebrated for its atlas-style format, appropriately detailed anatomical illustrations, and exceptionally clear photographs of tissues and cadavers, the Seventh Edition of the award-winning Human Anatomy presents practical applications of anatomy and physiology in a highly visual format. Select Clinical Notes feature dynamic layouts that integrate text with visuals for easy reading. Clinical Cases relate clinical stories that integrate text with patient photos and diagnostic images for applied learning. Time-saving study tools, including end-of-chapter practice and review, help students arrive at a complete understanding of human anatomy. This package contains: *Human Anatomy, Seventh Edition

NOTE: This edition features the exact same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value for your students-this format costs 35% less than a new textbook. Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. XXXXXXXXXXXXXXXXXXXXX Praised for its atlas-style format, appropriately detailed anatomical illustrations, and exceptionally clear photographs of tissues and cadavers, Human Anatomy is now more visual and interactive.
