If It Wasnt For That

If you talk about what would happen if it wasn't for someone or something, you mean that they are the only thing that is preventing it from happening. I could happily move back into a flat if it wasn't for the fact that I'd miss my garden. If it hadn't been for her your father would be alive today. See full dictionary entry for be

If it wasn't for definition and meaning | Collins English ...

If It Wasn't For That Dog is the story of Matt's first year with Michael, the challenges and accomplishments of climbing the Hearing Dog learning curve, the profound changes he stimulated and the inestimable joy he confers magically on everyone who meets him. But most of all it is the story of the strange power of meaty treats to work miracles in doggie behaviour.

If It Wasn't For That Dog! - Michael Forester

if it weren't for (someone or something) If someone or something hadn't helped, intervened, or affected the situation in some way. The phrase is always followed by an explanation of how things would have turned out different without someone or something. If it weren't for those quick-thinking bystanders, I wouldn't be alive today.

"When I first started putting the book together, I had some scattered ideas as to how I would do this. With the help of my talented and skilful [sic] editor, and the advice of some friends, the 'movie' in my mind became more crystallised [sic] and clear. Some of the 'scenes,' written in the early 1970's '80s were never intended to form part of a whole. They stood alone, as a lecture here or an article there. It is my hope and belief that the book/story/'movie' holds together as one man's attempt to be honest with God as I understand Him or Her. I hasten to add that this is not your standard religious book. The words erection and resurrection, masturbation and Holy Mass all appear with equal authenticity, pain and celebration. It is no book for the pious or those seeking a quick fix. The God of the gaps' is not found here, or if he is, it is as no panacea for our eternal thirst for meaning."--From the preface.

Grace Peterson loves being a therapist and lives for counseling others, especially her longtime friends, but life has suddenly taken her to a place shes not sure she will ever recover from. Graces strong faith is threatened and her ability to counsel anyone. Simone Grier has everything she ever wanteda successful career in fashion, children, and a loving husband. After reconnecting with a guy from her past, she wonders if she really has everything she ever wanted. Summer Hawthorne is a brilliant attorney who has finally found love with her boyfriend of two years. She finds herself in another life-changing situation when she discovers her boyfriend has been unfaithful. Rainey Waters-Butler is newly married and finally pursuing her dream of becoming a dentist, but her world is turned upside down when unexpected family issues arise and causes her to put her future on hold.

DISC JOCKEY. COMPERE. ACTOR. CHILDREN'S ENTERTAINER. WRITER. ENTERTAINMENT AGENT PROMOTER & CONSULTANT. COSTUMED CHARACTER.RECORDING ARTISTE. REVIVALIST. TOWN COUNCILLOR. SCHOOL GOVENOR. LOCAL HISTORIAN. - An unbelievable list of credits by an equally unbelievable character. This book tells of how one man with no financial backing made a name for himself in the entertainment world, appeared on television and film sets, mixed with the rich and famous, yet still found the time to help those less fortunate than himself.

If It Wasn't For the People...This Job Would Be Fun provides executives, managers, and supervisors with the techniques needed to ensure that employees willingly and consistently perform to ever higher levels of expectation. Not only does following this process give readers the results, it also effectively transfers the responsibility for an employee's actions or inaction's where it belongs-on that person's shoulders. Readers will learn that leading doesn't mean doing the other person's job for them or watching over their shoulder. Leading means getting the best results by not telling experts how to do jobs they already understand, but by making sure they know what is expected of them and then allowing them to perform.

What's the best way to get an angry customer to stop yelling at you over the phone? How can you stand up for yourself AND stay professional with even the nastiest customers? How can you reduce the length of time angry customers argue? How do you ensure offensive behavior from one customer doesn't affect how you treat the NEXT customer? And, how do you stop offering rent free space in your head to angry customers who insist on haunting your thoughts after work? No more "I should have said..."!Finally a practical guide to working with difficult customers that goes beyond the obvious. Based on principles of Psychology and Psycholinguistics this book provides more than 100 tactics and behaviors you can use to deal professionally with hostile, angry, unreasonable customers without taking or giving offense.Based on discussions with thousands of customer service representatives the techniques in this book will cover almost any tough situation you may face.It's time to take control of difficult customer situations to reduce your stress and enjoy your job fully. Stop allowing customers to ruin your day.If you like your job -- if only the nasty customers would go away, this is for you.Includes sections on manipulative people, how to shut down ranting customers, how to get people to listen to what you have to say so you can help, and a section for managers and supervisors. Also tips on interacting with customers via email, phone and social media."Whether you have ten days or ten years experience, you WILL learn something from this book. Guaranteed!"

A comical book written at the request of my daughter. She may never do that again! Kelly is portrayed as an Astronaut, Superhero, and more.. much more!

These collected essays examine the roles of women in their churches and communities, the implication of those roles for African American culture, and the tensions and stereotypes that shape societal responses to these roles. Gilkes examines the ways black women and their experience shape the culture and consciousness of the black religious experience, and reflects on some of the crises and conflicts that attend this experience.

During the time I was dealing with my mother and her reactions to Mikes apparent abuse of me no one ever knew I had been victimized again, several times. The boyfriends at the time of my aunt Camille and Kim had been told of my abuse and apparently thought it was a good idea to try also. A part of me blamed my aunts for telling my secrets. I never spoke to anyone of these secrets out of fear of loosing more family. I know youre probably reading this wondering why I didnt tell anyone, well if you read the rest of this book I would think you could understand. I didnt want to mess up anyone elses home or happiness. I mean these were my aunts, the very people who were helping me through it all at the time. I didnt think holding on to those secrets affected my life much but in the summer of 2010 I decided to release this burden. I told Camille of what her boyfriend had done to me crying through my entire confession. I begged her not to be mad at me and prayed this secret wouldnt affect our relationship; after all we have become really close over the years. Camille couldnt believe what I was saying although she wasnt in denial, she had lots of questions and she began to cry also. She wanted to know if any of her other boyfriends had tried anything with me or to me and I told her no. Telling her the role her boyfriend played was like lifting a forty pound weight off my shoulders. Until this day I have not yet told Kim of what her boyfriend had done. He is actually responsible for taking my virginity. I figure it took me more that twenty years to tell Camille and although I will tell Kim, itll just take me more time to do so.

The American Civil War resulted in over a million casualties. Every person who died and all property destroyed was done by fellow countrymen. "Civil Sense" asks the question, What if there wasn't a Civil War? What if we find ways to resolve differences other than by fighting each other?

"If I Wasn't Me" is a children's book that shows kids the world of opportunities and embraces that 'you can be ANYTHING" attitude. But while Melissa McCauley Higgins encourages kids to dream about the future and think of the many of the future opportunities out there, she hopes they don't lose sight of who they are and what makes them happy. With so many different things we can be when we grow up, which one do we choose? Read and find out.
