in the wilderness. He writes in a way that makes it clear his hope is that the children will grow to be adults who understand nature is something to be understood and loved and respected, not destroyed or mutilated.

Indian Scout Craft and Lore by Charles Alexander Eastman

In this book Charles Eastman ("Ohiyesa"), a full-blooded Sioux Indian raised as a young warrior in the 1870's and 80's, describes that life — the lessons he learned, games he played, and feelings about life that he developed as he worked to become a young Indian scout. Among the many areas of craft and lore described are the physical training of young boys,

arrows; fire-building; games; ritual song and dance. 30 photos; over 100 line drawings and diagrams.

Discusses Indian life and customs, and provides instructions for doing dances and making war bonnets, headdresses, and other articles of Indian costume and adornment.

A comprehensive collection of stories, crafts, games, and other activities, this respectful and informative tribute to Native American culture offers campers of all ages a practical guide to the outdoors.

Indian Boyhood By Charles A. Eastman In 1902,

Access Free Indian Scout Craft And Lore

Eastman published a memoir, Indian Boyhood, recounting his first fifteen years of life among the Dakota Sioux during the nineteenth century. In the following two decades, he wrote 10 more books, most concerned with his Native American culture. The most popular of those is also contained in this book: "The Soul of the Indian, An Interpretation 1911."

"Indian Boyhood" (1902) was the literary debut of Charles A. Eastman (Ohiyesa), a Santee Sioux whose eleven books aimed at bringing whites and Indians closer together. The favorable reception of the autobiographical Indian Boyhood would lead him to write such classic works as "Old Indian Days" (1907),

Access Free Indian Scout Craft And Lore

"Wig warn Evenings: Sioux Folk Tales Retold" (with Elaine Goodale Eastman, 1909), "The Soul of the Indian" (1911), "From the Deep Woods to Civilization" (1916), and "Indian Heroes and Great Chieftains" (1918), all reprinted as Bison Books. At the beginning of "Indian Boyhood" Eastman recalls the 1862 Sioux Uprising in Minnesota that sent his family into exile in Canada. He describes his childhood there, which ended when his father, who had been presumed dead, appeared to take him back to the United States. An Indian boy's training, child-hood games, harvesting and feasts, legends told around a campfire--Eastman relates all aspects of the rich traditional life of the Santee Sioux, which had already passed away by the time this

Access Free Indian Scout Craft And Lore

book was published.

The importance of Eastman's life story was reiterated for a new generation when the 2007 HBO film entitled *Bury My Heart at Wounded Knee* used Eastman, played by Adam Beach, as its leading hero. This book presents an account of the American Indian experience as seen through the eyes of the author.

A handbook for outdoorsmen who want to learn from Native American traditions.
