Insanely Simple: The Obsession That Drives Apple's Success ...
Insanely Simple: The Obsession That Drives Apple's Success. The world has never seen a success story quite like Apple's. Facing bankruptcy in 1997, Apple became the world's most valuable company just 14 years later. It's a story of great vision, design, engineering and marketing. But Apple had one important advantage that tied all of these things together—Steve Jobs's love of simplicity.
