Incorporating suggestions from teachers and students all over the world. This edition offers updated content in every unit, additional grammar practice, and more opportunities to develop speaking and listening skills. Interchange Third Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar, functions, vocabulary, and pronunciation. The underlying philosophy of the course remains that language is best learned when it is used for meaningful communication. Written in American English, Interchange Third Edition reflects the fact that English is the major language of international communication and is not limited to any one country, region or culture.
