heart: light is right.

(And another one: It can never be too fast.) Never before had the performance and design of a race bike been so faithfully carried over to the street. In the seven generations since, Suzuki has remained true to the concept of the original GSX-R: to build the most serious, track-worthy sportbike.

What's more, the company's engineers have been relentless in their pursuit to refine and improve the bike.

Containing information on the US Navy's customs and ceremonies, this new edition includes details of the recent
