### Nine Ideas For The Nine Days

A new commercial says that the long-running British cartoon is exposing kids to communism and socialist ideals.

In Kids These Days, early Wall Street occupier Malcolm Harris gets real about why the Millennial generation has been wrongly stereotyped, and dares us to confront and take charge of the consequences now that we are grown up. Millennials have been stereotyped as lazy, entitled, narcissistic, and immature. We've gotten so used to sloppy generational analysis filled with dumb clichés about young people that we've lost sight of what really unites Millennials. Namely: We are the most educated and hardworking generation in American history. We poured historic and insane amounts of time and money into preparing ourselves for the 21st-century labor market. We have been taught to consider working for free (homework, internships) a privilege for our own benefit. We are poorer, more medicated, and more precariously employed than our parents, grandparents, even our great grandparents, with less of a social safety net to boot. Kids These Days is about why. In brilliant, crackling prose, early Wall Street occupier Malcolm Harris gets mercilessly real about our maligned birth cohort. Examining trends like runaway student debt, the rise of the intern, mass incarceration, social media, and more, Harris gives us a portrait of what it means to be young in America today that will wake you up and piss you off. Millennials were the first generation raised explicitly as investments, Harris argues, and in Kids These Days he dares us to confront and take charge of the consequences now that we are grown up.

During a child's development, educators become a crucial connection point, with the potential to make a huge impact on a student's well-being. But are the educators okay? Carrington believes that most great educators want to make a difference. It's time we did a better job of looking after educators first!

Forced to relocate to Florida and accept an in-law's dubious employment after losing his job, Drew Perry awaits the birth of his first child and becomes unwittingly embroiled in the company's shady business dealings. By the award-nominated author of This Is Just Exactly Like You. Original.

"Richly imagined, beautifully written, and completely absorbing. I found myself spellbound, turning pages well past my bedtime. What a fine, fine book." -Tim O'Brien
After Jack Lang impulsively buys the house directly across the street from his own, his wife, Beth, has finally had enough. She leaves him- and their six-year-old autistic son, Hendrick-for Jack's best friend, Terry Canavan. Jack tries telling everyone he's okay, but even he's not so sure. When Hendrick, who rarely talks, starts speaking in fluent Spanish, Jack knows he's in uncharted territory. But once Canavan's ex- girlfriend Rena turns up at his door to see how things are going, Jack begins to suspect the world could be far more complicated than he'd ever believed. Set against a landscape of defunct putt-putt courses and karaoke bars, parenthood and infidelity, This Is Just Exactly Like You is a wise and witty debut novel with captivating insights into marriage, autism, suburban fiasco, and life's occasional miracles.

Teachers show up in different forms and in many chapters of a child's life. Teaching is literacy and numeracy but, most importantly, it's showing up with your whole heart. It's walking kids-and yourself-through the hardest conversations about trauma, loss, grief, racism, or violence. As we work to piece together our education system in the fallout from global pandemic, the focus must be on the teachers. If the people in charge-those teachers-aren't OK, the students don't stand a chance. Dr. Jody Carrington and Laurie McIntosh bring together theory and practice, weaving the science of human development with real-life stories and tangible strategies told by those most qualified to share them-our teachers. This book is for those who need a place to land when they want to be reminded that, simply by the choice of their profession, they are a powerful force in shaping our world. "Teachers These Days is filled with heartfelt happies and heartbreaking hurts. I connect with the theory-into-practice way that it is set up, and I appreciated the voices of the others in their raw, poignant stories." -Barbara Gruener, teacher and school counselor
"Teachers These Days honors the work and experience of educators while providing a familiar context to all teachers. The section on grief is captivating and visceral and beautiful." -Meaghan Reist and Shelley Smith, vice principals and creators of Culture Curators EDU

A reading log book journal is a great place to note your reactions to what you're reading. Writing down your responses will allow you to discover how you feel about the characters. Follow the real lives of seven kids from Italy, Japan, Iran, India, Peru, Uganda, and Russia for a single day! In Japan Kei plays Freeze Tag, while in Uganda Daphine likes to jump rope. But while the way they play may differ, the shared rhythm of their days-and this one world we all share-unites them. This genuine exchange provides a window into traditions that may be different from our own as well as a mirror reflecting our common experiences. Inspired by his own travels, Matt Lamotte transports readers across the globe and back with this luminous and thoughtful picture book.

Introduces the people and procedures involved in foster care, and the feelings, reactions, and concerns of new foster children. Includes an afterword for caregivers.

This book is uniquely original and can be personalized with any girl's name. How fun is that? Think of the possibilities: baby or shower gifts, birthdays, a special something from grandma, and more. You can purchase the book as shown, using Faith in the title, or personalize it to suit your specific needs. Simply contact us at eStoryTime.com BEFORE placing your Amazon order and we'll take care of the rest. After contacting us, you'll still need to order the book through Amazon, so we'll send you a direct link to use when placing your order. It will assure the book is personalized with the name you've requested. We've taken the worry out of the process and your child will be thrilled with the final product. Who doesn't like to see their name on the cover or hear it related throughout the story? The author, Melissa Ryan, is the mother of five children and knows the importance of reading to your little ones. It instills a love of books and fosters an active imagination in the youngest of readers. Help start them on a path of discovery with Melissa's stories. The tale of Faith is perfect for bedtime, especially when unleashing the child's wonder by using her own name. This is a book that can be enjoyed over and over again, and will be remembered long after the last page is read and the lights turned out. Faith's Hiccup-ups Day is beautifully written and will hold your child's attention while you share this delightful tale. Tag along with Faith as she giggles, HIC's, and jumps her way through a day with the hiccup-ups. See the silly things her family suggests to solve her problem. It's a day filled with enough fun for everyone. Faith will capture your heart, and the moments spent reading it together will build fond memories that will be cherished throughout the years. Your little girls grow up all too fast; make lasting impressions while you can. This is just one of several books offered by Melissa in her ever-expanding children's book series. You'll learn to love and appreciate the extra attention that goes into each volume. Special care is taken to keep the child's heart at the center of each story, helping them build character and learn something along the way. ... Encourage that special child in your life to embrace what is truly unique, and sometimes funny, about their developing personalities. Spend a few minutes with Faith on her I-Didn't-Do-It-kind of day and make bedtime special, while you create a binding relationship with the power of reading...you'll look back in awe at the foundations you've built. Please customize and purchase this book for a special little girl in your life today.
