“Kingdom of Shadows must be called a spy novel, but it transcends genre, as did some Graham Greene and Eric Ambler classics.”—The Washington Post Paris, 1938. As Europe edges toward war, Nicholas Morath, an urbane former cavalry officer, spends his days working at the small advertising agency he owns and his nights in the bohemian circles of his Argentine mistress. But Morath has been recruited by his uncle, Count Janos Polanyi, a diplomat in the Hungarian legation, for operations against Hitler’s Germany. It is Morath who does Polanyi’s clandestine work, moving between the beach cafés of Juan-les-Pins and the forests of Ruthenia, from Czech fortresses in the Sudetenland to the private gardens of the déclassé royalty in Budapest. The web Polanyi spins for Morath is deep and complex and pits him against German intelligence officers, NKVD renegades, and Croat assassins in a shadow war of treachery and uncertain loyalties, a war that Hungary cannot afford to lose. Alan Furst is frequently compared with Eric Ambler, Graham Greene, and John le Carré, but Kingdom of Shadows is distinctive and entirely original. It is Furst at his very best. Praise for Kingdom of Shadows “Kingdom of Shadows offers a realm of glamour and peril that are seamlessly intertwined and seem to arise effortlessly from the author’s consciousness.”—Janet Maslin, The New York Times “Subtly spun, sensitive to nuances, generous with contemporary detail and information discreetly conveyed. . . . It’s hard to overestimate Kingdom of Shadows.”—Eugen Weber, Los Angeles Times “A triumph: evocative, heartfelt, knowing and witty.”—Robert J. Hughes, The Wall Street Journal “Imagine discovering an unscreened espionage thriller from the late 1930s, a classic black- and- white movie that captures the murky allegiances and moral ambiguity of Europe on the brink of war. . . . Nothing can be like watching Casablanca for the first time, but Furst comes closer than anyone has in years.”—Walter Shapiro, Time

Bulgaria, 1934. A young man is murdered by the local fascists. His brother, Khristo Stoianev, is recruited into the NKVD, the Soviet secret intelligence service, and sent to Spain to serve in its civil war. Warned that he is about to become a victim of Stalin’s purges, Khristo flees to Paris. Night Soldiers masterfully re-creates the European world of 1934–45: the struggle between Nazi Germany and Soviet Russia for Eastern Europe, the last desperate gaiety of the beau monde in 1937 Paris, and guerrilla operations with the French underground in 1944. Night Soldiers is a scrupulously researched panoramic novel, a work on a grand scale.

From Alan Furst, often compared to John le Carré, Graham Greene, and Eric Ambler, and praised as the best spy novelist ever, a trio of his classic works Furst, known for panoramic vision, deep authenticity, and a magnificent eye for historical detail, always sets his novels in the twilight world of Europe in the 1930s and first years of World War II, when the British, Russian, German, and many other spy services fought it out in the alleys and grand hotels of Paris, Berlin, and other cities on the Continent. The three classic spy novels in this “read all night” eBook bundle will transport you to the dark conflict between fascists, communists, and the people who fought back

against them. Includes a preview of Alan Furst's new novel, *Mission to Paris*—with movie stars, elite spies, and German political warfare—on sale in June. “The writing in *Mission to Paris*, sentence after sentence, page after page, is dazzling. If you are a John le Carré fan, this is definitely a novel for you.”—James Patterson “I am a huge fan of Alan Furst. Furst is the best in the business—the most talented espionage novelist of our generation.”—Vince Flynn

THE WORLD AT NIGHT Paris, 1940. The civilized, upper-class life of film producer Jean Casson is derailed by the German occupation of Paris, but Casson learns that with enough money, compromise, and connections, one need not deny oneself the pleasures of Parisian life. Somewhere inside Casson, though, is a stubborn romantic streak. When he's offered the chance to take part in an operation of the British secret service, this idealism gives him the courage to say yes. A simple mission, but it goes wrong, and Casson realizes that he must gamble everything—his career, the woman he loves, life itself. Here is a brilliant re-creation of France—its spirit in the moment of defeat, its valor in the moment of rebirth.

“In the first nineteen months of European war, from September 1939 to March of 1941, the island nation of Britain and her allies lost, to U-boat, air, and sea attack, to mines and maritime disaster, one thousand five hundred and ninety-six merchant vessels. It was the job of the Intelligence Division of the Royal Navy to stop it, and so, on the last day of April 1941 . . .” May 1941. At four in the morning, a rust-streaked tramp freighter steams up the Tagus River to dock at the port of Lisbon. She is the *Santa Rosa*, she flies the flag of neutral Spain and is in Lisbon to load cork oak, tinned sardines, and drums of cooking oil bound for the Baltic port of Malmö. But she is not the *Santa Rosa*. She is the *Noordendam*, a Dutch freighter. Under the command of Captain Eric DeHaan, she sails for the Intelligence Division of the British Royal Navy, and she will load detection equipment for a clandestine operation on the Swedish coast—a secret mission, a dark voyage. A desperate voyage. One more battle in the spy wars that rage through the back alleys of the ports, from elegant hotels to abandoned piers, in lonely desert outposts, and in the souks and cafés of North Africa. A battle for survival, as the merchant ships die at sea and Britain—the last opposition to Nazi Germany—slowly begins to starve. A voyage of flight, a voyage of fugitives—for every soul aboard the *Noordendam*. The Polish engineer, the Greek stowaway, the Jewish medical officer, the British spy, the Spaniards who fought Franco, the Germans who fought Hitler, the Dutch crew itself. There is no place for them in occupied France; they cannot go home. From Alan Furst—whom *The New York Times* calls America's preeminent spy novelist—here is an epic tale of war and espionage, of spies and fugitives, of love in secret hotel rooms, of courage in the face of impossible odds. *Dark Voyage* is taut with suspense and pounding with battle scenes; it is authentic, powerful, and brilliant.

NOW A MINISERIES ON BBC AMERICA STARRING DAVID TENNANT An autumn evening in 1937. A German engineer arrives at the Warsaw railway station. Tonight, he will be with his Polish mistress; tomorrow, at a workers' bar in the city's factory district, he will meet with the military attaché from the French embassy. Information will be exchanged for money. So begins *The Spies of Warsaw*, the brilliant new novel by Alan Furst, lauded by *The New York Times* as “America's preeminent spy novelist.” War is coming to Europe. French and German intelligence operatives are locked in a life-and-death struggle on the espionage battlefield. At the French embassy, the new military attaché, Colonel Jean-Francois Mercier, a decorated hero of the 1914 war, is drawn into a world of abduction, betrayal, and intrigue in the diplomatic salons and back alleys of Warsaw. At the same time, the handsome aristocrat finds himself in a passionate love affair with a Parisian woman of Polish heritage, a lawyer for the League of Nations. Colonel Mercier must work in the shadows, amid an extraordinary cast of venal and dangerous characters—Colonel Anton Vyborg of Polish military intelligence; the mysterious and sophisticated Dr. Lapp, senior German Abwehr officer in Warsaw; Malka and Viktor Rozen, at work for the Russian secret service; and Mercier's brutal and vindictive opponent, Major August Voss of SS counterintelligence. And there are many more, some known to Mercier as spies, some never to be revealed. *The Houston Chronicle* has described Furst as “the greatest living writer of espionage fiction.” *The Spies of Warsaw* is his finest novel to date—the history precise, the writing evocative and powerful, more a novel about spies than a spy novel, exciting, atmospheric, erotic, and impossible to put down. “As close to heaven as popular fiction can get.”—*Los Angeles Times*, about *The Foreign Correspondent* “What gleams on the surface in Furst's books is his vivid, precise evocation of mood, time, place, a letter-perfect re-creation of the quotidian details of World War II Europe that wraps around us like the rich fug of a wartime railway station.”—*Time* “A rich, deeply moving novel of suspense that is equal parts espionage thriller, European history and love story.”—Herbert Mitgang, *The New York Times*, about *Dark Star* “Some books you read. Others you live. They seep into your dreams and haunt your waking hours until eventually they seem the stuff of memory and experience. Such are the novels of Alan Furst, who uses the shadowy world of espionage to illuminate history and politics with immediacy.”—Nancy Pate, *Orlando Sentinel*

NEW YORK TIMES BESTSELLER • “[Furst] glides gracefully into an urbane pre-World War II Europe and describes that milieu with superb precision.”—Janet Maslin, *The New York Times* In the autumn of 1940, Russian émigré journalist I. A. Serebin is recruited in Istanbul by an agent of the British secret services for a clandestine operation to stop German importation of Romanian oil—a last desperate attempt to block Hitler's conquest of Europe. Serebin's race against time begins in Bucharest and leads him to Paris, the Black Sea, Beirut, and, finally, Belgrade; his task is to attack the oil barges that fuel German tanks and airplanes. *Blood of Victory* is a novel with the heart-pounding suspense, extraordinary historical accuracy, and narrative immediacy we have come to expect from Alan Furst. Praise for *Blood of Victory* “Densely atmospheric and genuinely romantic, the novel is most reminiscent of the Hollywood films of the forties, when moral choices were rendered not in black-and-white but in smoky shades of gray.”—*The New Yorker* “Furst's achievement is a moral one, producing a powerful testament to fiction's ability to re-create the experience of others, and why it is so deeply important to do so.”—Neil Gordon, *The New York Times Book Review* “Richly atmospheric and satisfying.”—Deirdre Donahue, *USA Today*

“First-rate research collaborates with first-rate imagination. . . . Superb.”—*The Boston Globe* Paris, 1940. The civilized, upper-class life of film producer Jean Casson is derailed by the German occupation of Paris, but Casson learns that with enough money, compromise, and connections, one need not deny oneself the pleasures of Parisian life. Somewhere inside Casson, though, is a stubborn romantic streak. A simple mission, but it goes wrong, and Casson realizes he must gamble everything—his career, the woman he loves, life itself. Here is a brilliant re-creation of France—its spirit in the moment of defeat, its valor in the moment of rebirth. Praise for *The World at Night* “[*The World at Night*] earns a comparison with the serious entertainments of Graham Greene and John le Carré. . . . Gripping, beautifully detailed . . . an absorbing glimpse into the moral maze of espionage.”—Richard Eder, *Los Angeles Times* “[*The World at Night*] is the world of Eric Ambler, the pioneering British author of

classic World War II espionage fiction. . . . The novel is full of keen dialogue and witty commentary . . . Thrilling.”—Herbert Mitgang, Chicago Tribune “With the authority of solid research and a true fascination for his material, Mr. Furst makes idealism, heroism, and sacrifice believable and real.”—David Walton, The Dallas Morning News

From Alan Furst, whom The New York Times calls “America’s preeminent spy novelist,” comes an epic story of romantic love, love of country, and love of freedom—the story of a secret war fought in elegant hotel bars and first-class railway cars, in the mountains of Spain and the backstreets of Berlin. It is an inspiring, thrilling saga of everyday people forced by their hearts’ passion to fight in the war against tyranny. By 1938, hundreds of Italian intellectuals, lawyers and journalists, university professors and scientists had escaped Mussolini’s fascist government and taken refuge in Paris. There, amid the struggles of émigré life, they founded an Italian resistance, with an underground press that smuggled news and encouragement back to Italy. Fighting fascism with typewriters, they produced 512 clandestine newspapers. The Foreign Correspondent is their story. Paris, a winter night in 1938: a murder/suicide at a discreet lovers’ hotel. But this is no romantic traged—it is the work of the OVRA, Mussolini’s fascist secret police, and is meant to eliminate the editor of *Liberazione*, a clandestine émigré newspaper. Carlo Weisz, who has fled from Trieste and secured a job as a foreign correspondent with the Reuters bureau, becomes the new editor. Weisz is, at that moment, in Spain, reporting on the last campaign of the Spanish civil war. But as soon as he returns to Paris, he is pursued by the French Sûreté, by agents of the OVRA, and by officers of the British Secret Intelligence Service. In the desperate politics of Europe on the edge of war, a foreign correspondent is a pawn, worth surveillance, or blackmail, or murder. The Foreign Correspondent is the story of Carlo Weisz and a handful of antifascists: the army officer known as “Colonel Ferrara,” who fights for a lost cause in Spain; Arturo Salamone, the shrewd leader of a resistance group in Paris; and Christa von Schirren, the woman who becomes the love of Weisz’s life, herself involved in a doomed resistance underground in Berlin. The Foreign Correspondent is Alan Furst at his absolute best—taut and powerful, enigmatic and romantic, with sharp, seductive writing that takes the reader through darkness and intrigue to a spectacular denouement.

Greece, 1940. In the port city of Salonika, with its wharves and brothels, dark alleys and Turkish mansions, a tense political drama is being played out. As Adolf Hitler plans to invade the Balkans, spies begin to circle—and Costa Zannis, a senior police official, must deal with them all. He is soon in the game, working to secure an escape route for fugitives from Nazi Berlin that is protected by German lawyers, Balkan detectives, and Hungarian gangsters—and hunted by the Gestapo. Meanwhile, as war threatens, the erotic life of the city grows passionate. For Zannis, that means a British expatriate who owns the local ballet academy, a woman from the dark side of Salonika society, and the wife of a shipping magnate. With extraordinary historical detail and a superb cast of characters, *Spies of the Balkans* is a stunning novel about a man who risks everything to fight back against the world’s evil.
