~~Language Vitality and Endangerment — UNESCO~~

A methodology for assessing language vitality and endangerment. In 2002 and 2003, UNESCO asked an international group of linguists to develop a framework for determining the vitality of a language in order to assist in policy development, identification of needs and appropriate safeguarding measures. This Ad Hoc Expert Group on Endangered Languages elaborated a landmark concept paper entitled “Language Vitality and Endangerment”, which established the following nine criteria :
