KWIC Index of Rock Mechanics

Literature, Part 2: 1969-1976 is an index of subjects in rock mechanics. The KWIC (keyword-in-context) index is produced by cyclic permutation of significant words in the title of the publication. The text covers materials in rock mechanics and geomechanics published around the 70s.

Get Free Le Structural Mechanics Loads Ysis

The book will be of great use to students, researchers, and practitioners of geological sciences.
