Indulge in your favorite hue (or two!) with fabric designer Jessica Levitt. Bright and bold quilt blocks pair same-color prints with strong solids for depth and lots of personality. Stitch random-width strips to a muslin base for a planned approach to improv. Giant-size blocks join together like a fun puzzle, forming a graphic secondary pattern when you piece the quilt top!

### Publisher description

Hidden in the mountains of East Tennessee, an eleven-year old goes about the business of being a boy during the summer of 1970. Within a balance of terror and innocence, he bears silent witness to ghosts of the dead and the cruelties of a teenage killer while local justice plays out in a community carved from legacies of coal mining and religion.

For more than a decade, the United States has been fighting wars so far from the public eye as to risk being forgotten, the struggles and sacrifices of its volunteer soldiers almost ignored. Photographer and writer Ashley Gilbertson has been working to prevent that. His dramatic photographs of the Iraq war for the New York Times and his book Whiskey Tango Foxtrot took readers into the mayhem of Baghdad, Ramadi, Samarra, and Fallujah. But with Bedrooms of the Fallen, Gilbertson reminds us that the wars in Afghanistan and Iraq have also reached deep into homes far from the noise of battle, down quiet streets and country roads—the homes of family and friends who bear their grief out of view. The book’s wide-format black-and-white images depict the bedrooms of forty fallen soldiers—the equivalent of a single platoon—from the United States, Canada, and several European nations. Left intact by families of the deceased, the bedrooms are a heartbreaking reminder of lives cut short: we see high school diplomas and pictures from prom, sports medals and souvenirs, and markers of the idealism that carried them to war, like images of the Twin Towers and Osama Bin Laden. A moving essay by Gilbertson describes his encounters with the families who preserve these private memorials to their loved ones, and shares what he has learned from them about war and loss. Bedrooms of the Fallen is a masterpiece of documentary photography, and an unforgettable reckoning with the human cost of war.

A multimillion-copy bestseller in China—now available in English! In this heart-pounding adventure, a group of individuals who have come together for an expedition, each with a specific interest, soon find themselves motivated by one common goal: the sheer will to survive. THE QUEST: To find the lost city of Jingjue, a once-glorious kingdom, along with the burial chamber of its mysterious queen. Both lie buried under the golden dunes of the desert, where fierce sandstorms and blazing heat show no mercy. THE TEAM: Teenagers Tianyi, who has the ability read the earth and sky through feng shui, and Kai, Tianyi’s best friend and confidant; Julie, a wealthy American whose father vanished on the same trek a year ago; Professor Chen, who wants to fulfill a lifelong dream; and Asat Amat, a local guide gifted in desert survival. THE OBSTACLES: Lethal creatures of the desert and an evil force that wants to entomb the explorers under the unforgiving sands of China’s Taklimakan Desert forever. Translated from the Chinese by Jeremy Tiang, whose recent work includes NEVER GROW UP, the translation from Chinese of the autobiography from action movie superstar Jackie Chan.

Armies of Fellspawn march upon Highmount. The Iron Gods have awoken from their slumber. E’blis, the Prince of Pain, is preparing a very special sacrifice to raise the Fallen One from his tomb. Sarah Bean must beseech the Kay’lo to join the war and help her to save Seythe from total destruction. Will they agree to help her? Can Highmount survive such an onslaught of evil? Or will this be the beginning of the end for the Thirteen Worlds?
