Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Their struggles and temptations are the same trials faced by all believers at all ages. Inside this book, best-selling author and Bible teacher John MacArthur shows that the God to whom they were so committed is the same God who continues to mold and use ordinary people today.

John MacArthur and other distinguished teachers of preachers respond to the apostle's mandate in this comprehensive treatment of expository preaching. Dr. MacArthur's well-known passion for the Scriptures is combined with the vision and expertise of other faculty members at The Master's Seminary to produce a definitive statement on how to unfold the meaning of God's Word effectively to today's congregation. Other contributors include: James F. Stitzinger, James E. Roascup, Robert L. Thomas, George J. Zemek, Donald G. McBougall, Richard L. Mayhue, Irvin A. Busenitz, and David C. Deuel.

Leading Prophetic Voice Reveals New Insight on Defeating an Ancient Evil According to leading prophetic voice Jennifer LeClaire, the subversive Jezebel spirit continues to deceive many. She shows, with keen biblical insight, that Jezebel does much more than most believers thought--and that it's time to expose the deceit and defeat the spirit's insidious work. By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She demonstrates biblically not only that the Jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God's people.

Have you ever prayed for a sick friend? Does God heal today? If so, why are so many people in pain around us? We have all heard stories of miraculous healings. But can we believe them? Why are some people healed and some not? Does God give ordinary Christians the authority to heal? As Ken Blue explores these questions he found plenty of answers, but none that satisfied him. He wanted answers that were true to Scripture and true to a loving and just God. His search into the Bible and into the ministry of healing has produced a rich and very human book. Here is a book for everyone who has ever prayed for a sick friend.
