all-encompassing biography of his father, the comedian and performer Bert Lahr. Best known as the Cowardly Lion in MGM's classic *The Wizard of Oz*, Lahr was a consummate artist whose career spanned burlesque, vaudeville, Broadway, and Hollywood. While he could be equally raucous and polished in public, Lahr was painfully insecure and self-absorbed in private, keeping his family at arm's length as he quietly battled his inner demons. Told with an impressive objectivity and keen understanding of the construction—and destruction—of the performer, *Notes on a Cowardly Lion* is more than one man's quest to understand his father; it is an extraordinary

Soldier is a classic example of the unreliable narrator genre. With a charitable view, everything John Dowell retells is plausible, but it doesn't take much critical thinking to reframe the story's events as something entirely more sinister. The novel is now frequently ranked by critics as one of the great pieces of twentieth-century literature. Ford Madox Ford, already published many times over by this novel's release, and along with collaborations with both Joseph Conrad and Ernest Hemingway, went on to create and edit the influential literature journals *The English Review* and *The Transatlantic Review*. Subversive Wisdom makes the case that in the Gospel of John, Jesus walks and talks like Lady Wisdom of the Hebrew Scriptures. In John, Jesus is Wisdom incarnate, speaking and demonstrating the subversive wisdom of the way of the cross; he is a sort of trickster, confusing and frustrating his enemies, acting in ways counter to convention, and driving out the "ruler of this world" through the upside-down logic that comes "from above." Subversive Wisdom explores literary themes in the Gospel of John such as Jesus as Torah, the "heavenly" perspective of the narrator and Jesus, political terminology used throughout the
