Life's That Way: A Memoir book by Jim Beaver

Life's That Way is a modern-day Book of Job. In August 2003, Jim Beaver, a character actor whom many know from the popular HBO series Deadwood, and his wife Cecily learned what they thought was the worst news possible- their daughter Maddie was autistic. Then six weeks later the roof fell in-Cecily was d

Life's That Way by Jim Beaver - Goodreads

Life's that way is actually a direction given to Jim by a friend as he pointed down a corridor, telling him it was time to move on. And, like it or not, that is what Jim had to do, and in the process he took us on his journey--a journey of grieving and of healing, but most importantly, a journey of learning how to move forward.

Amazon.com: Customer reviews: Life's That Way: A Memoir

"Life's That Way is a gift of a book and one that will join Joan Didion's The Year of Magical Thinking as a classic exploration of love and grief. It removes the clinical and focuses on the personal, revealing that "there's no end to the new ways one can experience such a cataclysm," and shows that, unbelievable as it is, life does go on.

Life's That Way: A Memoir: Beaver, Jim: 9780399155642 ...

Like Mitch Albom's Tuesdays with Morrie or Randy Pausch's The Last Lecture, this memoir is about the death of a loved one – but also very much about life. Written straight from the heart and with extraordinary humor amidst great sadness, it is a story not just of travail, but also of love and generosity; unfathomable human kindness; and the wondrous gifts of life – all invaluable lessons for living.

An autobiography is your life story from birth to the present. A memoir is theme-oriented with anecdotes from your life that buttress a specific theme. Too many authors write a memoir because they believe their lives are so interesting that even strangers would enjoy a detailed account. Don ' t misunderstand, maybe you are interesting.

Beaver, a character actor, and his wife Cecily not only learned that their daughter was autistic but also that Cecily suffered from lung cancer. Beaver began sending e-mails to family and friends regarding Cecily's condition; this work is a compilation of those nightly e-mails.

A remarkable memoir that shows the capacity of the human heart to heal after the challenge of having to say goodbye. Even the hardest lessons contain great gifts. Jim Beaver and his wife Cecily Adams appeared to have it all-following years of fertility treatments, they were finally parents and they were building their dream home and successful Hollywood careers. Life was good. But then their daughter, Maddie, was diagnosed as autistic. Weeks later, Cecily, a non-smoker, was diagnosed with Stage IV lung cancer. Sadly, after 14 years of marriage, Jim became a widower and a single dad. Faced with overwhelming grief, Jim reached out to family and friends by writing a nightly email-a habit he established when Cecily was first diagnosed. Initially a cathartic exercise for Jim, the prose became an unforgettable journey for his readers. Life's That Way is a compilation of those profound, compelling emails.

From award-winning poet Saeed Jones, How We Fight for Our Lives—winner of the Kirkus Prize and the Stonewall Book Award—is a “ moving, bracingly honest memoir ” ( The New York Times Book Review) written at the crossroads of sex, race, and power. One of the best books of the year as selected by The New York Times; The Washington Post; NPR; Time; The New Yorker; O, The Oprah Magazine; Harper ’ s Bazaar; Elle; BuzzFeed; Goodreads; and many more. “ People don ’ t just happen, ” writes Saeed Jones. “ We sacrifice former versions of ourselves. We sacrifice the people who dared to raise us. The ‘ I ’ it seems doesn ’ t exist until we are able to say, ‘ I am no longer yours. ’ ” Haunted and haunting, How We Fight for Our Lives is a stunning coming-of-age memoir about a young, black, gay man from the South as he fights to carve out a place for himself, within his family, within his country, within his own hopes, desires, and fears. Through a series of vignettes that chart a course across the American landscape, Jones draws readers into his boyhood and adolescence—into tumultuous relationships with his family, into passing flings with lovers, friends, and strangers. Each piece builds into a larger examination of race and queerness, power and vulnerability, love and grief: a portrait of what we all do for one another—and to one another—as we fight to become ourselves. An award-winning poet, Jones has developed a style that ’ s as beautiful as it is powerful—a voice that ’ s by turns a river, a blues, and a nightscape set ablaze. How We Fight for Our Lives is a one-of-a-kind memoir and a book that cements Saeed Jones as an essential writer for our time.

#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®–winning actor ’ s unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN “ McConaughey ’ s book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand. ” —Mark Manson, author of The Subtle Art of Not Giving a F\*ck I ’ ve been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life ’ s challenges—how to get relative with the inevitable—you can enjoy a state of success I call “ catching greenlights. ” So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it ’ s medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot ’ s license, going to church without having to be born again, and laughing through the tears. It ’ s a love letter. To life. It ’ s also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, The Last Seven Pages is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

NEW YORK TIMES BESTSELLER • “ As sweet and funny and sad and true and heartfelt a memoir as one could find. ” —from the foreword by Augusten Burroughs Ever since he was young, John Robison longed to connect with other people, but by the time he was a teenager, his odd habits—an inclination to blurt out non sequiturs, avoid eye contact, dismantle radios, and dig five-foot holes (and stick his younger brother, Augusten Burroughs, in them)—had earned him the label “ social deviant. ” It was not until he was forty that he was diagnosed with a form of autism called Asperger ’ s syndrome. That understanding transformed the way he saw himself—and the world. A born storyteller, Robison has written a moving, darkly funny memoir about a life that has taken him from developing exploding guitars for KISS to building a family of his own. It ’ s a strange, sly, indelible account—sometimes alien yet always deeply human.

Rachel Levy Lesser can relive almost every significant life event through an accessory. A scarf, a pair of earrings, a bag, even a fleece pair of socks—each contains the elements that put together the story of a life. Life ’ s Accessories is a funny, sad, touching, relatable, shake-your-head-right-along-as-you-laugh-and-wipe-away-tears, coming-of-age memoir. In fourteen essays, Lesser tackles sensitive issues like anxiety, illness, and loss in a way that feels a bit like having a chat with a good friend. Out of the stories comes solid life—and fashion—advice. About far more than just a hair tie, a bracelet, or a belt, Life ’ s Accessories is a window into the many ways in which Lesser has come to understand life—in all of its beauty, its joys, its sorrows, its heartaches, its challenges, and its absurdity.

Ghost tales, boarding school escapades and tough life decisions; Life's Like Ice Cream is a delightful memoir comprising forty inspiring true stories from the author's life. Beyond the stories however - a scary one here, a funny one there, another 'I'm-not-crying-I-just-have-something-in-my-eye' one over there - there is a treasure of life lessons to be discovered. You will find yourself going back to read the stories over and over again.

Presents a compilation of the author's emails to friends and family members documenting his life, the news of his daughter's autism, and his wife's Cecily's condition after being diagnosed with lung cancer.

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE ’ S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper ’ s Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade ’ s worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When Breath Becomes Air chronicles Kalanithi ’ s transformation from a na i ve medical student “ possessed, ” as he wrote, “ by the question of what, given that all organisms die, makes a virtuous and meaningful life ” into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. “ I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything, ” he wrote. “ Seven words from Samuel Beckett began to repeat in my head: ‘ I can ’ t go on. I ’ ll go on. ’ ” When Breath Becomes Air is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.
