A few times in your life, someone will tell you something so right, so deeply true that it changes you forever. That is what Anna Quindlen, author of the timeless bestseller

# Get Free Lots Of Candles Plenty Cake Anna Quindlen

A Short Guide to a Happy Life, does here. In *Being Perfect*, she shares wisdom that, perhaps without knowing it, you have longed to hear: about “the perfection trap,” the price you pay when you become ensnared in it, and the key to setting yourself free. Quindlen believes that when your success looks good to the world but

# Get Free Lots Of Candles Plenty Cake Anna Quindlen

doesn't feel good in your heart, it isn't success at all. She asks you to set aside your friends' advice, what your family and co-workers demand, and what society expects, and look at the choices you make every day. When you ask yourself why you are making them, Quindlen encourages you to give this answer: For

# Get Free Lots Of Candles Plenty Cake Anna Quindlen

me. “Because they are what I want, or wish for. Because they reflect who and what I am. . . . That way lies dancing to the melodies spun out by your own heart.” At the core of this beautiful book lies the secret of authentic success, the inspiration to embrace your own uniqueness and live the life that is undeniably your own, rich

From the New York Times bestselling author of *Alternate Side*, Anna Quindlen's classic reflection on a meaningful life makes a perfect gift for any occasion.

“Life is made of moments, small pieces of silver amidst long stretches of tedium. It would be wonderful if they came to us unsummoned, but particularly in lives as

# Get Free Lots Of Candles Plenty Cake Anna Quindlen

busy as the ones most of us lead now, that won't happen. We have to teach ourselves now to live, really live . . . to love the journey, not the destination.” In this treasure of a book, Anna Quindlen, the bestselling novelist and columnist, reflects on what it takes to “get a life”—to live deeply every day and from your own

# Get Free Lots Of Candles Plenty Cake Anna Quindlen

unique self, rather than merely to exist through your days. “Knowledge of our own mortality is the greatest gift God ever gives us,” Quindlen writes, “because unless you know the clock is ticking, it is so easy to waste our days, our lives.” Her mother died when Quindlen was nineteen: “It was the dividing line between seeing

# Get Free Lots Of Candles Plenty Cake Anna Quindlen

the world in black and white, and in Technicolor. The lights came on for the darkest possible reason. . . . I learned something enduring, in a very short period of time, about life. And that was that it was glorious, and that you had no business taking it for granted.” But how to live from that perspective, to fully engage in

# Get Free Lots Of Candles Plenty Cake Anna Quindlen

our days? In *A Short Guide to a Happy Life*, Quindlen guides us with an understanding that comes from knowing how to see the view, the richness in living.
