Gangubai Kathiawadi- one of the Mafia Queens of Mumbai. Gangubai was brutally raped and made invalid by a member of mafia don Karim Lala. In order to seek justice, she approached Karim Lala himself. Consequently, Lala not only beat her perpetrator but also made Gangubai his 'rakhi sister' and warned everyone against ill-treating her. From here Gangubai's life took a new turn as she made connections with underworld, police and other figures of power.

Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia's nefarious role in Bollywood, Dawood's move to Karachi, and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

On the afternoon of 12 March 1993, a series of explosions cut a swathe of terror and destruction through Bombay. The toll: 257 killed or missing, 713 injured, and a city in a shambles. In Black Friday, S. Hussain Zaidi takes us into the heart of the conspiracy which spanned several countries and the massive investigation that ensued. A product of four years of meticulous research, the book gives chilling insights into the criminal mind, through interviews with close associates of Dawood Ibrahim and Tiger Memon, among others. The characters we meet are compelling: the terrorists, the corrupt law enforcement agents who abetted the plot, the investigators who would stop at nothing, and, above all, the people of Bombay of whose resilient spirit this book is a celebration. Riveting and incisive, Black Friday reveals the true dimensions of a horrific tragedy which shook the nation.

It's been three years since Shahwaz Ali Mirza and Vikrant Singh foiled dreaded terrorist Munafiq's attempt to leak State secrets from a naval server in Lakshadweep. Now posted with RAW, they have the task of providing security for BSF Special Director General Somesh Kumar, on his way to visit former Prime Minister Parmeshwar Naidu, who has been hospitalized after a car accident. However, Kumar's convoy is attacked by terrorists. They manage to kill him before being gunned down themselves. A tip-off leads the duo to a hotel on Mira Road where the prime suspect, Al Muqadam, is hiding. Vikrant recognizes him as Ayyub, the brother of one of his long-time informants, Mazhar Khan. Just when it looks like things can't get more difficult, Major Daniel Fernando gets in touch claiming that there is more to Naidu's accident than meets the eye. Soon, the entire team from the Lakshadweep operation finds itself getting together for a new mission... Hussain Zaidi is back with his irresistible cast of characters in this sizzling story of politics, betrayal and unimaginable terror.

A native of Bombay, Suketu Mehta gives us an insider's view of this stunning metropolis. He approaches the city from unexpected angles, taking us into the criminal underworld of rival Muslim and Hindu gangs, following the life of a bar dancer raised amid poverty and abuse, opening the door into the inner sanctums of Bollywood, and delving into the stories of the countless villagers who come in search of a better life and end up living on the sidewalks. As each individual story unfolds, Mehta also recounts his own efforts to make a home in Bombay after more than twenty years abroad. Candid, impassioned,

funny, and heartrending, Maximum City is a revelation of an ancient and ever-changing world.

Five years after 26/11 - the siege of terror in Mumbai that brought the country to its knees - India still seeks justice. The terrorists who planned it have disappeared into the darkness they emerged from and Mumbai seethes with fury. All the Indian government has achieved is the establishment of counter-terrorism committees. But one man will stop at nothing in his quest to avenge the dastardly act. Retired Lt Gen. Sayed Ali Waris of the Indian army masterminds a covert mission with a team of daredevil agents: a sharp policeman, a suave tech expert, a cerebral scientist and two battle-hardened army officers. They strike like lightning even as they are pursued by the Pakistani army and the ISI, combing through every land and possibility in pursuit of the deadly killers. From Sweden to Istanbul, through Dubai, Pakistan and Singapore, they annihilate the perpetrators with single-minded focus, veiling the deaths as natural ones to save the Indian government diplomatic and political embarrassment. The stakes have never been higher. This is a nifty, edge-of-your seat thriller with an intricate plot and jaw-dropping twists. As Waris and his team navigate untold dangers towards a nail-biting climax, will Mumbai finally be avenged?

Mumbai has produced many dons—but perhaps none so colourful as Abu Salem. The flamboyant ex-aide of Dawood Ibrahim is best known for his involvement in the Mumbai blasts of 1993 and for the murder of music composer Gulshan Kumar. But he became equally famous for his relationship with actress Monica Bedi and his close connection to Bollywood, leading to a number of attempted murders of the film industry's biggest names. Now comes the ultimate telling of his life from the writer who knows the Mumbai underworld better than anyone else. Gripping, full of unknown details and first-hand accounts, My Name is Abu Salem is another unputdownable book from S. Hussain Zaidi.

'Hussain Zaidi, Mumbai's prodigious chronicler of the underbelly of the maximum city, pulls the covers off a friendship that only ended when Mumbai burned' - Adrian Levy For most of his childhood, Rahul Bhatt did not know a father's unconditional love - a vacuum that the advent of David Coleman Headley filled for a while. David Headley: the dashing, intriguing Pakistani with one brown eye and a green one, a man who could pass himself off as American quite easily, a charmer of men and women alike. Headley inveigled his way into Rahul's simple world and, in no time, swept him off his feet. It is only when ten men made a mockery of Mumbai in a well-planned act of terrorism, that Rahul realized how close he had come to being a part of the careful plotting and the innumerable recces that Headley carried out. This is a complex tale of human relationships and the deceit therein. It is the story of Rahul Bhatt, an aspiring Bollywood actor, and his encounter with David Coleman Headley, the man who was responsible for a ruthlessly executed carnage, in which 166 people were killed and over 300 injured in the fifty-nine hours that brought Mumbai to heel and shook India. A pulse-racing narrative, told in the voices of Bhatt and Headley, Headley and I traces the months leading up to the horrors of 26/11 and the long months of interrogation that followed.
