If you're making a lot of wine, you might look into renting a fruit press from a wine supply store. Add wine yeast. Insert the hydrometer into the must. If it reads less than 1.010, consider adding sugar. If you're adding sugar, first dissolve granulated sugar in pure filtered water (adding sugar helps boost low alcohol levels).

How To Make Wine At Home | Allreipes

WineMatch is a simple way to look at wine giving you the ability to find wines that are similar to those you already like. This is done by adding them to your favorites. At WineMatch, we use sensory evaluations, chemistry and detailed information on the wine to match one wine with other wines that are similar.

Match wines you like based on chemistry and sensory analysis

Like all grapes in the Muscat family, the aromatic Black Muscat gets ultra-ripe, making it the perfect candidate for dessert wines. Sweet Black Muscat wines taste of roses, dried stone fruit, cherry, lychees and berry jam. The wines are produced in warmer climates like those found in California and Australia.
