Communication Study Guide N4

The process of passing any information from one person to the other person with the aid of some medium is termed as communication. Communication process is a simple process where a message is being transferred from a sender to the receiver. Various types of Communication methods are discussed in detail.

Communication - Management Study Guide

Communication is the essence of management. The basic functions of management (Planning, Organizing, Staffing, Directing and Controlling) cannot be performed well without effective communication. Business communication involves constant flow of information. Feedback is integral part of business communication.
