A full-length novel with a sexy, demanding billionaire who knows exactly what you need, including a Happily Ever After. Grant Michaelson is greedy. He always gets what he wants. And he wants curvy, shy Sophie from the moment he sees her, even though she's at the restaurant to meet another man. A small detail like that won't stop him. Sophie Falcon is fresh out of college and struggling to find a job, so the last thing she needs is her family on her back about not having a boyfriend at an upcoming wedding. She agrees to a blind date, because that has to be better than her aunt trying to set her up with every single man at the reception. But her date isn't who she expects, and she can't help the way her body reacts to his dark eyes and possessive hands. She's going to be his in every way before he's done. He'll push her past her limits, far past anything she dreamed she could handle. And she'll beg him for more. (Billionaire Blind Date: The Complete Novel contains all 5 installments of the series.)

After leaving her disastrous marriage behind, Shelley Browning goes back to college to get her degree and comes face-to-face with an unforgettable man from her past. Grant Chapman had briefly taught her in high school ten years earlier. Their teacher and student had shared a single, scorching, unplanned kiss that still haunts Shelley's dreams. Now, as irresistible as ever, Grant has just returned to teaching after a stint as a congressional aide in Washington...and sees no impropriety in asking Shelley out. Isn't this what she secretly longs for? Never has Shelley felt more confused about what she really wants or what is best for them both. But a stunning accusation is about to change all that and force Shelley Browning to either take some dangerous risks -- or spend the rest of her life regretting what could have been.

FAITH DEVILIN: A poor, outcast child in Prescott, Louisiana, she'd always adored the town's golden boy from afar. But he called her white trash that sultry Southern night when his rich, respected father disappeared, along with her pretty Mom. Now Faith wanted to hate Gray Rouillard...not to feel a powerful surge of desire. But she couldn't quench her passion, any more than she could hide the truth about the past she had waited so long to unravel. GRAY ROUILLARD: Even when he raised hell, he did it with style. Reckless, charming, and backed by Rouillard money, Gray controlled the town of Prescott -- and Devlin was a name he never wanted to hear again. But when he gazed at Faith Devlin, all he saw was a swirl of tangled sheets and her silken flesh beneath him. To care for her was impossible, unthinkable...because Gray Rouillard planned to use all his power to ruin her.

As soon as I saw her, I knew I had to have her. I thought this Vegas fundraiser was going to be boring—another obligation to keep the family business alive. Boy, was I wrong. I don't remember anything about the night we spent together. But now we're married. Only problem is, I

HE CAN BUY ANYTHING EXCEPT A SECOND CHANCE WITH ME... KARA Once, when I was young and stupid, I had that boy. The charmer, the Adonis, the one who torched every woman's panties in our small town. He was my brother's best friend, practically part of the family. When he proposed, he promised me forever. Then the bastard disappeared without a word. It's taken five years to get over Ryan. I drowned myself crying a thousand times over. I moved on. I'm finally remembering what it's like to smile when guess who shows up. Everything about him is different. For one, he's become a freakin' billionaire. He walks like he's Mr. Tall, Dark, and Alpha incarnate. I know there's no justice in the world because his body matches his huge ego. Worse, he wants me to play Cinderella again. I can't. I won't. I don't believe in second chances. I'll never forget what he did. And if he's stupid enough to try kissing me with those unforgettable lips, he's going to feel my teeth. RYAN I did a terrible thing. No, I'm not talking about the filthy secret that wrecked everything. Leaving Kara killed me. I didn't have a choice. No amount of money, success, or bedding any woman I want whenever I flash my patented smirk makes up for losing her. She was the one. Hell, she still is. Time to remind her why. Whatever it takes to put my ring on her hand for good. I'm ready for the curses, the screams, the burn of her palm against my cheek. I'll taste her lips again, even if she bites. Just one catch - she can't find out what happened the night I left. There are no second chances if my past ruins us. This is a standalone romance novel brimming with temptation, tears, and alpha male explosions. High heat, no chill, and Happy Endings galore!

Connie Brockway's novel of unexpected love begins with a series of letters between a world-weary adventurer and the beautiful suffragette whose passion calls him home. "Dear Mr. Thorne, For the next five years, I will profitably manage this estate. I will deliver to you an allowance and I will prove that women are just as capable as men." Lillian Bede is shocked when she is tapped to run the affairs of an exquisite country manor. But she accepts the challenge, taking the opportunity to put her politics into practice. There's only one snag: Lily's ward, the infuriating, incorrigible globe-trotter Avery Thorne. "My Dear Miss Bede, Forgive me if I fail to shudder. Pray, do whatever you bloody well want, can, or must." Avery's inheritance is on hiatus after his uncle dies—and his childhood home is in the hands of some domineering usurper. But when he finally returns, Avery finds that his antagonist is not at all what he expected. In fact, Lily Bede is stunning, exotic, provocative—and impossible to resist. Includes a special message from the editor, as well as excerpts from other Loveswept titles.
