Introduction to manorial records. Manorial Records are held by many archives and record offices, often within landed family and estate collections. They are protected under the Law of Property Amendment Act 1924, to ensure their preservation. There are many different types of manorial record, and they range in date from the 12th century until the 1920s.

Introduction to manorial records - The University of ...

Manorial Records by Denis Stuart Manorial records are an important source of information for the local or family historian, but this is the first, full-length modern manual to offer a structured and comprehensive guide to their use. It explains the nature and Latin vocabulary of manorial court rolls, rentals and extents, accounts and customs; gives guidance in the translation of transcribed documents; provides more than thirty reproductions of actual manuscript documents in a variety of ...

Please note that there is a rather unsightly bump to the centre of the front board, and there is a bookplate to ...

Manorial Records : an introduction to their transcription ...

Description. For centuries, the lives of our ancestors were controlled by the lord of the manor which continued until their final demise in 1922. For many family historians any mention of the manor makes them tremble because they think it leads back into the strange world of medieval history where only faint ghosts of our anonymous ancestors exist. Manorial records are an important source of information providing a fascinating insight of the day-to-day life of most of our ancestors.

Manorial Documents Register - The National Archives

Manorial documents. The manor was the building block of feudal society. As such it embodied the 'government' of the local community in medieval times. It not only had administrative control over matters such as the succession to land tenure within the manor, but also often functioned as a local court of law for routine offences.

Manorial documents

Well, it's an index to the nature and location of surviving manorial records for England and Wales and what it does is it allows researchers to identify all records relating to a particular manor...
