If you buy a used
microscope, it probably
won't be supplied with an
instruction manual, and most
manufacturers don't keep
copies of manuals for
discontinued microscopes.
Fortunately, there are
several websites where
enthusiasts have collected

Zeiss ...

I found your web page including detailed repair information for the A0 microscopes, and you invited input to other repair and parts sources for these microscopes. JSD at Keck Science Center has numerous A0-60s in teaching labs, and the fine focus has malfunctioned on some due to stripped threads on the nylon bearing (A0 part # 60-207).
