A sweeping biography of one of the greatest and most provocative athletes of all time—"a life that needs to be understood whether you care a whit about boxing or not" (The Boston Globe). Athlete, activist, rebel, poet, legend—Muhammad Ali stood larger than life in the imagination of hundreds of millions of people around the world. A gold medalist at the 1960 Olympics, he won the heavyweight championship at age twenty-two by conquering Sonny Liston in dramatic fashion. In the weeks after the upset victory, he confirmed his membership in the Nation of Islam and told reporters he would no longer answer to his "slave name": Cassius Clay. The political establishment stripped him of his heavyweight title when he refused induction into the United States Army during the height of the war in Vietnam. Ultimately, Ali returned to reclaim his crown, prevailing in epic fights against the likes of Joe Frazier and George Foreman. His talent and charisma—and above all, his adherence to principle—made him a cultural icon and one of the most beloved sporting figures of all time. But that is only half the tale. Muhammad Ali: His Life and Times is also the story of Ali, the man. Author Thomas Hauser got closer to Ali than any previous biographer. His work-told in Ali's own words and those of hundreds of family members, friends, rivals, and others who interacted with "The Greatest" over the decades—reveals a deeply spiritual, complex man, whose public and private battles, including his struggle against the devastating effects of Parkinson's disease, gave new meaning to the word courage and changed forever our conception of what makes a champion. Heralded by the New York Times as "the first definitive biography of the boxer who transcended sports as no other athlete ever has," Muhammad Ali: His Life and Times is a must-read for anyone seeking to understand the legacy of one of the twentieth century's most charismatic and controversial superstars. This ebook includes rare photos authorized by Muhammad Ali Enterprises.

NEW YORK TIMES BESTSELLER | Winner of the 2018 PEN/ESPN Award for Literary Sports Writing | Winner of The Times Sports Biography of the Year | The definitive biography of an American icon, from a best-selling author with unique access to Ali's inner circle. "As Muhammad Ali's life was an epic of a life so Ali: A Life is an epic of a biography . . . for pages in succession its narrative reads like a novel—a suspenseful novel with a cast of vivid characters." -- Joyce Carol Oates, New York Times Book Review Muhammad Ali was born Cassius Clay in racially segregated Louisville, Kentucky, the son of a sign painter and a housekeeper. He went on to become a heavyweight boxer with a dazzling mix of power and speed, a warrior for racial pride, a comedian, a preacher, a poet, a draft resister, an actor, and a lover. Millions hated him when he changed his religion, changed his name, and refused to fight in the Vietnam War. He fought his way back, winning hearts, but at great cost. Jonathan Eig, hailed by Ken Burns as one of America's master storytellers, sheds important new light on Ali's politics, religion, personal life, and neurological condition through unprecedented access to all the key people in Ali's life, more than 500 interviews and thousands of pages of previously unreleased FBI and Justice Department files and audiotaped interviews from the 1960s. Ali: A Life is a story about America, about race, about a brutal sport, and about a courageous man who shook up the world.

"Rahaman has, at last, written the definitive biography on his late brother, which tells the real Ali story." —Mike Tyson More words have been written about Muhammad Ali than almost anyone else. He was, without doubt, the world's most-loved sportsman. At the height of his celebrity he was the most famous person in the world. And yet, until now, the one voice missing belonged to the man who knew him best—his only sibling, and best friend, Rahaman Ali. No one was closer to Ali than Rahaman. Born Cassius and Rudolph Arnett Clay, the two brothers grew up together, lived together, trained together, travelled together, and fought together in the street and in the ring. A near-constant fixture in his sibling's company, Rahaman saw Ali at both his best and his worst: the relentless prankster and the jealous older brother, the outspoken advocate, the husband and father. In My Brother, Muhammad Ali, Rahaman offers an insider's perspective on the well-known stories as well as never-before-told tales, painting a rich and intimate portrait of a proud, relentlessly polarizing, yet often vulnerable man. In this extraordinary, poignant memoir, Rahaman tells a much bigger and more personal story than in any other book on Muhammad Ali—that of two brothers, almost inseparable from birth to death. It is the final and most important perspective on an iconic figure.

Presents the life of the American boxer, chronicling his rise as a young amateur fighter and Olympic medalist, his refusal to serve in the army during the Vietnam conflict, his championship bouts, and his battle against Parkinson's disease.

In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize-winning novelist, Toni Morrison. Growing up in the South, surrounded by racial bigotry and discrimination, Ali fought not just for a living, but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by Sports Illustrated and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali only he could render: sports legend; unapologetic anti-war advocate; outrageous showman and gracious goodwill ambassador; fighter, lover, poet, and provocateur; an irresistible force to be reckoned with. Who better to tell the tale than the man who went the distance living it?

An inspiring biography of Muhammad Ali from the legendary Walter Dean Myers, reissued under Scholastic Focus for a new generation. From his childhood in the segregated South to his final fight with Parkinson's disease, Muhammad Ali never backed down. He was banned from boxing during his prime because he refused to fight in Vietnam. He became a symbol of the antiwar movement - and a defender of civil rights. As "The Greatest," he was a boxer of undeniable talent and courage. He took the world by storm - only Ali could "float like a butterfly, sting like a bee!" Muhammad Ali: Olympic gold medalist, former heavyweight champion, and one of the most influential people of all time.

In this picture book biography of Muhammad Ali, author Gene Barretta and illustrator Frank Morrison tell the unforgettable childhood story of this legendary boxing champion and how one pivotal moment set him on his path to become the Greatest of All Time. The Louisville Lip. The Greatest. The People's Champion. Muhammad Ali had many nicknames. But before he became one of the most recognizable faces in the world, before the nicknames and the championships, before he converted to Islam and changed his name to Muhammad Ali, he was twelve-year-old Cassius Clay riding a brand-new red-and-white bicycle through the streets of Louisville, Kentucky. One fateful day, this proud and bold young boy had that bike stolen, his prized possession, and he wouldn't let it go. Not without a fight. This would be the day he discovered boxing. And a champion was born. Back matter includes biographical overview, photos, bibliography, and more resources.

Presents the life of the legendary boxer who began his career as Cassius Clay, discussing his prowess in the ring, his refusal to fight in the Vietnam War, and his life after boxing.

Everybody knows the record the stuff of almanacs, trade magazines and clipping services. A handful know the man. But only Muhammad Ali knows his life as he lived it. The Greatest is Ali's own story. For six years he worked, traveled and talked with Richard Dunham, a writer with a stunning talent, and the result is mesmerizing in its brilliance, drama, humanity and sheer entertainment. This is no documented scrapbook of wins and losses strung together with anecdotes; nor is it a thin potpourri of locker room gags. This book, like Ali who has incited every reaction except indifference goes straight to the place where responses to him have always been the gut. When the history of the twentieth century is finally recorded, it must include Muhammad Ali. He is "The Greatest."
