My Mother is a liar was created by Shelby. Hey everyone. My mother is a compulsive or pathological liar. I am 33 years old and have been dealing with this behavior all of my life. It was easier to overlook when I was younger, because I wasn't a target of her lies. However since I've grown and started a family of my own, she not only lies, she constantly lies about me.

My mother is a liar. I catch her in lies all the time. I do not tell her i know she is lying cause she will start yelling and tearing things down. Sometimes I wonder if she has a mental issue as she is always throwing daggers out of her tongue at me when other family members come around she acts all nice and makes me look like the one with the ...

If either/both of you stay with your mom please try to remember that you cannot trust a pathological liar, my daughters and I have been burned many times thinking fear of hurting us, fear of alienating the kids might curb her lies, but sadly no reward, no punishment, no threat, no consequence will have a lasting effect on them and they will lie when it suits them.
