Vol. 2 New Testament Apocrypha Vol 2
Volume II of New Testament Apocrypha
represents a comprehensive collection of the
pseudo-apostolic writings of early
Christianity. The introductions are quite
good. The translations, however, are marred
by frequent use of archaic, pseudo-biblical
language which has thankfully been done
away with in most modern translations of
ancient texts.

New Testament Apocrypha, vol. 2, Writings Relating to the ...

The New Testament apocrypha (singular apocryphon) are a number of writings by early Christians that give accounts of Jesus and his teachings, the nature of God, or the teachings of his apostles and of their lives. Some of these writings have been cited as scripture by early Christians, but since the fifth century a widespread consensus has emerged limiting the New Testament to the 27 books of ...
